

# You are now enrolled in Norton LifeLock Benefit Plans

Your plan includes protection for your digital life – helping protect your identity, your online privacy, and your personal devices.

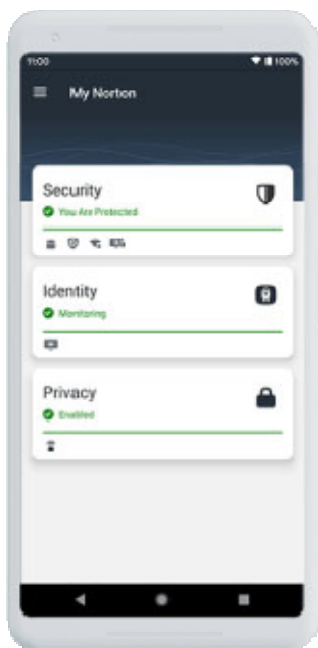

**It is important for you to take a few moments to activate your new account.** You will need to log in to take advantage of many of the great features included in your plan.

[Activate my account](#)

When activating your account, you will be asked to provide key pieces of information so that we can verify and locate your membership. Once complete, you will provide your preferred (unique to you) email address and create a password that will be used to access your account in the future at [my.norton.com](https://my.norton.com).

## Once activated, your protection is made to be on-the-go!

Take advantage of our powerful, personal mobile security protection on a top-level mobile app. The primary member (employee) will need to login on each device utilizing the Norton 360™ for Mobile app, providing protection against viruses, ransomware, malware, spyware, and other online threats.

Screen modified for demonstration purposes. Subject to change. Features may differ depending on plan.

## Your partner against cyberthreats

- Ditch the sticky notes – store your passwords securely
- Be alerted<sup>†</sup> when you're visiting an unsafe site
- Scan WIFI and avoid unsecured networks
- Keep your internet activity private with Norton Secure VPN
- Bolster your financial wellness by regularly checking your credit reports and scores
