Your benefits program just got better!

Get started with Gallagher Benefit Advocate Center beginning January 1, 2021!

We are pleased to announce a new employee benefit—*Gallagher Benefit Advocate Center*. It gets better. Not only is this an incredibly valuable service, it will be provided at **no cost to you**.

Have you ever felt like you wanted a personal assistant to help coordinate information about your benefits? Our fully licensed advocates will be available to answer your questions, provide support, and offer a one-stop-spot for maximizing your benefits plan and your health.

From finding an in-network provider, to teaching you how an HSA works, or providing assistance with a claim, every advocate is supported by a team of medical, employee assistance, and benefit experts. Any conversations with an advocate will be conducted in a confidential manner, fully protecting your privacy.

One number, complete support

You can begin using the Gallagher Benefit Advocate Center effective January 1, 2021. Simply call the dedicated **toll free number at (833) 260-0896**, which is available Monday – Friday from 8:00 a.m. to 6:00 p.m. CST. You can also email **bac.curtgjoa@ajg.com**.

In addition, be on the lookout for information in the near future regarding Connect2MyBenefits, which is an Employee Benefits Website where you will be able to access information relating to your Curt G. Joa benefit program.

Our decision to offer the Gallagher Benefit Advocate Center reflects our commitment to help you get the most out of your benefits. We encourage you to take full advantage of this exciting new resource.

Yours in good health,
