

DistinctionsSM Dental Plan

The Distinctions dental plan is a great choice for organizations in the Twin Cities and St. Cloud. It features a tiered network with two benefit levels for your employees: a narrow, high-value network and our national network of 130,000 providers.

Network strength

Benefit level 1: Features highly respected clinics within the Twin Cities and St. Cloud that deliver quality and cost savings. This tier includes more than 300 dentists, including the HealthPartners Dental Group.

Benefit Level 2: Includes more than 2,600 dentists throughout Minnesota and bordering communities and more than 130,000 PPO providers nationwide.

Little PartnersSM dental benefit

Kids 12 and younger are covered 100% at in-network dentists, with no deductibles, no coinsurance and no annual maximum.

HealthPartners MouthWise Matters

The MouthWise Matters benefit helps to lower costs and improve health outcomes. This enhanced benefit for people with diabetes and pregnant women provides 100% in-network coverage for extra gum treatment, including scaling and root planing (a deep cleaning).

Extra benefits

Dental sealants are covered 100% for all age groups to help prevent cavities. Plus, for dental implants, our plans provide coverage for both the surgical placement and the cost of prosthetics. Many plans only cover what a bridge or dentures would cost and apply that amount to the cost of dental implants.
