FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Accounts (FSAs) are a way to save tax-free dollars for health care expenses and for child- or elder-care costs.

Health Care FSA

You can enroll in a Health Care FSA unless you are contributing to an HSA. Contribute up to \$3,050 (this limit may increase in 2024). Use your FSA to pay for your and your tax dependents' out-of-pocket medical, dental and vision expenses, including deductibles, copays and coinsurance amounts.

Dependent Care FSA

Use a Dependent Care FSA to pay for your eligible child- or elder-care expenses. Contribute up to \$5,000 per year (\$2,500 if married but filing taxes separately).

FSAs are administered by Navia. To file a claim or manage your account,

go to naviabenefits.com. Or download the **MyNavia Benefits** app.

Plan carefully

Be careful when figuring how much to contribute. You can't change your contribution during the year unless you have a qualified change in status, such as a marriage, birth, divorce, etc. You cannot transfer funds between the accounts. And the funds you don't use during the year are forfeited.

BASIC LIFE AND AD&D INSURANCE

You are automatically enrolled in basic life and accidental death and dismemberment (AD&D) insurance through Symetra. This coverage is provided at no cost to you, and is effective the first of the month coincident with or following your date of hire.

In the event of your death, your basic life insurance coverage pays your beneficiary a benefit equal to your annual base salary, up to a maximum of \$250,000.

If you die as a result of an accident, your beneficiary will also receive benefits from basic AD&D insurance, equal to your basic life insurance amount. If you are seriously injured in an accident, you'll receive a portion of the coverage depending on the injury.

Basic life and AD&D insurance age reduction begins at age 65. For additional details visit the benefits portal at c2mb.ajg.com/saltchukaviation (Alaska/mainland) or c2mb.ajg.com/aloha (Hawaii).

Be sure to elect your life insurance beneficiary by completing a Symetra Life Insurance Beneficiary Designation Form and uploading it to your UKG documents. Contact Human Resources for more information.

Accident insurance

Nobody plans to have an accident – and most people don't budget for one, either. Accident insurance helps you pay for out-of-pocket expenses that medical insurance won't cover.

If you or a covered family member is injured in a covered accident, you'll receive benefits based on the accident and treatment. For more information on cost and coverage or to enroll, visit GallaghervChoiceEnroll.com.

Critical illness insurance

Medical insurance alone can't stop a major diagnosis from draining your finances. Copays, deductibles, alternative treatments – these unexpected expenses can add up quickly. Critical illness insurance provides an affordable option for easing the financial burden that can come with a serious illness. This coverage is offered through Standard Insurance Company.

Critical illness insurance will pay a lump sum upon diagnosis of a covered critical illness. You may elect \$15,000 worth of coverage for yourself, and you may cover your spouse or domestic partner for the same amount. Children are automatically covered at \$3,750 at no extra cost. Certain additional illnesses are covered at 25% of the total coverage level, and the plan covers certain preventive screenings, up to \$50 per year.
