If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see pages 18-19 where Notice of Creditable Coverage begin for more details.

This document is an outline of the coverage proposed by the carrier(s), based on information provided by your company. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy forms for your reference will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be addressed by your general counsel or an attorney who specializes in this practice area.

# Health Benefits

Administered by HealthPartners

Comprehensive and preventive health care coverage is important in protecting you and your family from the financial risks of unexpected illness and injury. A little prevention usually goes a long way—especially in health care. Routine exams and regular preventive care provide an inexpensive review of your health. Small problems can potentially develop into large expenses. By identifying the problems early, often they can be treated at little cost. Comprehensive health care also provides peace of mind. In case of an illness or injury, you and your family are covered with an excellent medical plan through Scott County.

Scott County currently maintains two health insurance plans: a Base Plan and a Buy-Up Plan. However, the Buy-Up Plan is closed and is not open for new enrollment. Each plan option covers the same range of services. The plans differ, however, in terms of the out-of-pocket medical costs and deductibles you could incur during the plan year.

You can find the complete summary of benefits and coverage on the Employee Benefit Hub: <https://c2mb.aig.com/scottcounty/home/>

## HealthPartners Open Access Base Plan

When choosing the HealthPartners Open Access Base Plan, you have access to over 950,000 providers in the HealthPartners network within the United States (through HealthPartners association with Cigna). You are not required to choose a Primary Care Clinic (PCC), so you can receive your care at the network provider of your choice, and you also do not need referrals to see specialists within the HealthPartners network. “Out-of-Network” coverage is provided (beyond emergency services); however, should you choose to see a physician outside the network, your benefits would be paid at an “Out-of-Network” level which has very limited coverage. Some co-pays and deductibles will apply.

### Convenience Care

Convenience Care (convenience clinics, phone visits, and e-visits) is an alternative method to receive health care and is available for our plan members at a reduced “Convenience Care” copay of \$15.00 (In-Network). Instead of receiving treatment at your primary care clinic with a \$30.00 office visit copay, you can visit a physician at CVS Pharmacies, shopping malls, and MinuteClinics with a \$15.00 “Convenience Care” copay. You may also “E-Visit” HealthPartners virtuwell® – a 24/7 online clinic. Virtuwell visits will be at no cost. For more information, please visit the HealthPartners website or call Member Services at 952.883.5000 or toll free 1.800.883.2177.

### General Information

Please carefully review your Explanation of Benefits (EOB) to ensure proper payment of incurred medical expenses. Employees are under no obligation to pay any medical bills until they receive the EOB. Also, employees are not responsible for paying any possible interest the bill may have incurred prior to payment from HealthPartners.

The EOB is provided to you by HealthPartners when you have incurred a medical expense and indicates payment made by HealthPartners and the “Total Amount You Owe.” By visiting [www.healthpartners.com](http://www.healthpartners.com), you can also log on under “myHealthPartners” and access your claims information under “My plan” tab.

### Travel Plans and Out of Area Care

HealthPartners members who travel out of the service area or dependents who are attending a post-secondary institution outside of the service area have emergency services coverage under both the Primary Clinic Buy-Up Plan and the Open Access Base Plan.

Unless prior authorization is obtained from HealthPartners, preventive services, such as a routine health exam, scheduled inpatient hospital procedures, and skilled nursing facility services are excluded from coverage under the Primary Clinic Buy-Up Plan while out-of-network.

Out-of-network coverage is included under the Open Access Base Plan and may allow you to receive your same in-network benefit coverage while you are out of the area.

Members should contact HealthPartners Member Services Department to obtain prior authorization for excluded out-of-network services prior to treatment under the Primary Clinic Buy-Up Plan and to find affiliated clinics and hospitals covered under the Open Access Base Plan prior to travel outside of the area.

## Wellness

### Self-Care

With rising health care costs, we can all practice self-care to do our part in reducing medical claims. What is “self-care?” Healthy people develop a collection of resources in their quest for good health. The resources can include health care professionals, friends, and health information material.

### Call the HealthPartners Nurse Line at 612.339.3663 or 1.800.551.0859

This phone service is available for members seeking advice from nurses after their regular clinic is closed. In emergencies, call 911.

# Dental Benefits

Administered by Delta Dental

Good oral care enhances overall physical health, appearance and mental well-being. Problems with the teeth and gums are common and easily treated health problems. Keep your teeth healthy and your smile bright with the Scott County dental benefit plan.

The dental coverage offers you and your family a large network of **Delta Dental Premier Network dentists and Delta Dental PPO Network dentists**. By using a Delta Dental PPO provider, you will pay less out of your own pocket.

Since you do not choose a primary dentist, you can change to a different dentist at any time utilizing either of the two networks.

A listing of Delta participating dentists is available at Delta’s web site, [www.deltadentalmn.org](http://www.deltadentalmn.org). “Find a Dentist” is the most accurate and up-to-date way to obtain information on Delta participating dentists. To verify that your dentist participates in the Delta Network, go to [www.deltadentalmn.org](http://www.deltadentalmn.org). Click on “Members” then “Find a Dentist” from the home page. If you know the name of your dentist, select “I want to see if a dentist is in-network” or select “I’m looking for a new dentist”. Complete the form with your dentist’s name, mileage range, and zip code. This will bring up a listing of dentists participating in the PPO & Premier networks, indicated under the name of each dentist. If your dentist does not participate in either network, you may continue to use that dentist; although, the dentist may bill you for the difference between what Delta pays and what he or she charges for the service. Using a non-participating dentist means you will incur more of the cost of your care and could be responsible for dental charges up to the dentist’s full, billed amount.

And through Scott County, you can get this protection at an affordable group rate. Choose your STD weekly benefit in \$100 increments not to exceed 60% of your income (or \$2,000).

Think of Short-Term Disability insurance as income protection insurance

- Within one year, one in 13 working people will suffer a short-term disability for more than one week.

## HIPAA Special Enrollment Rights

### Scott County Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Scott County Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

**Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program).** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

**Loss of Coverage for Medicaid or a State Children's Health Insurance Program.** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

**New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

**Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program** – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact the Benefit Program Specialists at [erbenefits@co.scott.mn.us](mailto:erbenefits@co.scott.mn.us) or 952.496.8103.

### Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

## Notice of Creditable Coverage

### Important Notice from Scott County

#### About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Scott County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Scott County has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Scott County coverage will not be affected. Your current coverage will coordinate with Part D coverage. If you do decide to join a Medicare drug plan and drop your current Scott County coverage, be aware that you and your dependents may not be able to get this coverage back.

#### When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Scott County and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

#### For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Scott County changes. You also may request a copy of this notice at any time.

#### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage Notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**
