**6 Compare Dental Costs**  
Our tool will provide a general range based on your location and planned procedure. Learn More

### 1. Check Your Coverage

Have an upcoming dentist appointment and unsure about your coverage? Check individual dental benefit coverage, including annual maximum, deductible and more.

### 2. Print ID Card

View and print an ID card right from your own patient portal.

### 3. Check Claim Status

Check the status of current claims submitted by your dentist. Retrieve previous claim information for 18 months prior to the current date.

### 4. Find A Dentist

Maximize your benefits and choose a network dentist. Use the map to view office locations. Search nation wide by clicking on "search the national directory" link.

### 5. Your Dental Activity

View activity for dental visits, corresponding Explanation of Benefits, services provided, the amount Delta Dental of Washington paid for treatment and see how much you may owe.

### 6. Compare Dental Costs

It's helpful to know average cost before making an appointment. This tool will provide a general range based on location and procedure.
