

HealthNet.com

THE FAST AND EASY WAY TO MANAGE YOUR HEALTH

As a Health Net member, you have access to many tools and resources to help you manage your health plan and improve your health – all at your fingertips!

Get more done online

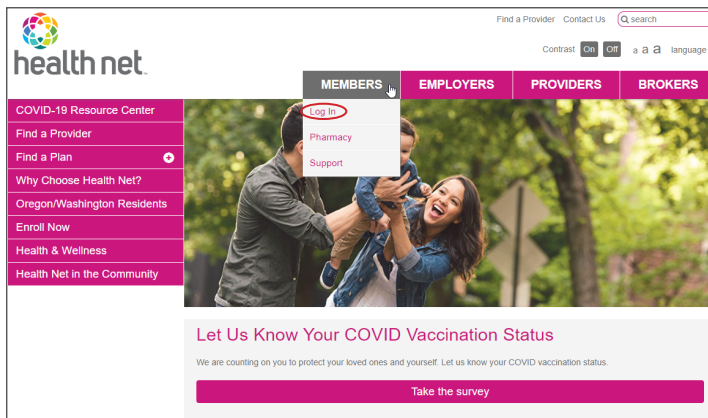

Get the information you need quickly and easily at HealthNet.com. Its mobile-friendly design is easy to use on-the-go.

- Find an urgent care center, doctor or hospital with ProviderSearch
- Change your PCP (HMO members)
- Print a temporary ID card or order a new one
- Access health and wellness programs and resources
- View your benefit details

And much more.

Get started in three simple steps

- 1 Visit www.healthnet.com and click on *Members > Log In*

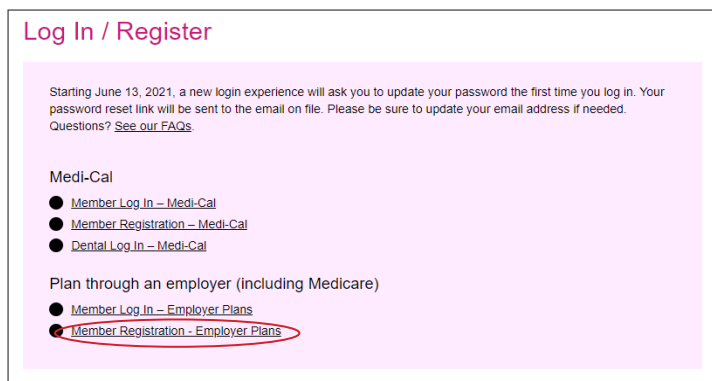

(continued)

Sign-up now and see how simple and convenient managing your health care can be.

2

Select the plan you have by clicking on the *Member Registration – Employer Plans* link under *Plan through your employer (including Medicare)*

3

Follow the easy steps to complete your registration

Note: You can register using either desktop or mobile devices. For mobile, click on *Members*. Then, under *Secure Access Tools* click the link that best describes your plan.

Once you’ve signed up, you’ll see a login screen. Plus, you’ll receive an email that confirms you are registered.

Health Net Mobile

The Health Net Mobile app is the easiest way to connect to your HealthNet.com online account.

Once you’re a registered HealthNet.com member you can use this app to quickly get plan, copay and deductible information. You can also access ProviderSearch and a mobile version of your Health Net ID card.

Here’s how:

1. For Apple and Android, go to the App Store or Google Play. Search for “Health Net Mobile” and then download and start the app.
2. Tap the topic you want to access. Then use the HealthNet.com username and password you created online to log in.
