Rollover Details: Your Health Care FSA - Standard option includes rollover, which allows unused balances of up to \$660 to roll into the next plan year. Please refer to Health Care FSA Details in your BESTflex Plan Summary Plan Description (SPD) for more information about how rollover works.

Submitting FSA Claims

The Accessing Your Funds section in your BESTflex Plan Summary Description includes more information about the following.

Submitting FSA Claims for Reimbursement Online, through the Mobile App, or on a Claim Form

You may submit claims for reimbursement online at www.ebcflex.com, through the mobile app, or by filling out and submitting a claim form. Reimbursement is made in the order claims are received. The first claim received and processed is the first one paid from the FSA.

Paying for Eligible Health Care Expenses with the Benefits Card

Your employer's Health Care FSA includes a Benefits Card. The Benefits Card is a prepaid debit card you can use to pay for eligible expenses with funds directly from your Health Care FSA balance.

The Benefits Card debits your Health Care FSA when you use the card at approved service providers and retailers to pay for eligible expenses. Remember to save your receipts and purchase documentation when using the Benefits Card. If your transaction cannot be automatically substantiated at the point of sale, you will be sent a Documentation Request to verify the expense is eligible for payment from your Health Care FSA.

You can only use your Benefits Card for an expense incurred in the same plan year it is paid. To be reimbursed during your runout period for prior plan year expenses, submit a claim for reimbursement online, through the mobile app, or on a claim form.

If you use your Benefits Card while you have pending claims for reimbursement that you previously submitted, your Benefits Card transaction may be processed before the pending claims. As a reminder, the first claim processed is the first one paid from the Health Care FSA.

Runout Period

Your runout period is 3 months long and you may submit claims for eligible expenses incurred during the plan year until March 31, 2026.

Health Care FSA Termination:

If you end your employment, lose eligibility, or revoke your Health Care FSA mid-plan year, your FSA terminates. Your Benefits Card is not available for use after your FSA termination date; however, you have 3 months from the date your FSA terminates to submit Health Care FSA claims for eligible expenses incurred prior to your FSA termination date.

If you are eligible for and choose to elect COBRA continuation coverage on your Health Care FSA, your FSA is reactivated and you have access to your entire election as long as you remain on COBRA.
