Plan Information

Group number: 232541

Effective Date: October 1, 2024

Comprehensive and preventive healthcare coverage is important in protecting you and your family from the financial risks of unexpected illness and injury. A little prevention usually goes a long way—especially in healthcare. Routine exams and regular preventive care provide an inexpensive review of your health. Small problems can potentially develop into large expenses. By identifying the problems early, often they can be treated at little cost.

Step 1: Select Your Plan

Apple Tree Dental provides three medical plans through BCBS of Minnesota: the \$2,000-40-70% Copay plan, the \$3,200-75% HSA plan, and the \$4,500-75% HSA plan. This page shows you the three different plan designs available to you. You may choose between the Aware Network or the High Value Network regardless of which plan design you choose on this page. The next page covers the difference between the two network options.

Step 2: Select Your Network

You have access to two comprehensive networks of providers—the Aware Network or the High Value Network. You can choose either of these networks, regardless of which plan design you choose in Step 1. Once you have chosen the plan design that is right for you, you should take some time to consider the differences between the two networks described below. You will receive the most benefit from visiting a provider in your network, and will pay more for care when visiting a provider outside of your network. To receive the best care, it is important to understand the network that you enroll in and the providers in that network.

Aware Network

The Aware Network is one of BlueCross BlueShield’s largest networks. This open-access network offers you extensive access to providers and hospitals without needing a referral.

High Value Network

The High Value Network (HVN) is a narrower network than the Aware Network; includes over 5,000 primary care providers and over 16,000 specialty care providers; and offers you access to major care systems, including Fairview Health Services, Ridgeview, University of Minnesota Physicians, Centracare, and St. Luke’s Health Care System.

Find a Physician or Facility

Make sure your provider is in your network. To search for a provider in your network, go online to www.bluecrossmn.com and click on the “Find-a-Doctor” feature to search by location, provider name, specialty, product or procedure.

Health Savings Account (HSA)

Administered by Bremer Bank

Your are eligible to open a Health Savings Account if you enroll in the \$3,200-75% HSA or the \$4,500-75% HSA Plans offered by Apple Tree Dental. Administrative costs are 100% employer-paid.

What is a Health Savings Account (HSA)?

A Health Savings Account (HSA) is an account that can be funded with your tax-exempt dollars, by you, your employer, or both, to help pay for eligible medical expenses not covered by an insurance plan, including the deductible, coinsurance, and even in some cases, health insurance premiums.

IMPORTANT: If you have a FSA Health Reimbursement account, your balance must be exhausted prior to establishing/ contributing to a HSA. This means you should allow enough time for your last FSA reimbursements to be processed and the account to reflect a \$0 balance.

When and how often can I contribute to my Health Savings Account (HSA)?

You are encouraged to contribute (voluntary) to your HSA account through payroll deduction(s) or as a lump sum deposit. You can contribute as often as you like, provided the annual contributions do not exceed the IRS annual limits.

In 2024, the IRS annual limits on contributions are as follows:

- \$4,150 for Employee-Only coverage
- \$8,300 for Employee+1 and Family coverage

In 2025, the IRS annual limits on contributions are as follows:

- \$4,300 for Employee-Only coverage
- \$8,550 for Employee+1 and Family coverage

Individuals that are age 55 or older by the end of the tax year are eligible to make an additional contribution up to \$1,000.

How does the plan work?

In-Network Preventive Care

In-network preventive care such as annual check-ups, cancer screenings, well-child care and immunizations are covered at 100% and some preventive prescriptions.

Use your HSA to help pay these expenses

DEDUCTIBLE
\$3,200 Individual
\$6,400 Family

You pay 100% of medical and prescription drug costs until you meet your deductible. You may make contributions to your HSA pre-tax up to the IRS maximum. You can withdraw these funds tax-free and put them towards meeting your deductible or save them to help offset future expenses.

Out-of-Pocket Maximum
\$4,500 Individual
\$9,000 Family

Once you meet your deductible, you will continue to pay 25% of any remaining covered services in-network until you hit your out-of-pocket maximum for the calendar year. Once you hit your out-of-pocket maximum, then the carrier will pay 100% of any remaining covered services in-network for the remainder of the calendar year.

Frequently Asked Questions about HSAs

How do I manage my HSA?

The HSA account is your account; the HSA dollars are your dollars. Since you are the account holder or HSA beneficiary, you manage your HSA account. You may choose when to use your HSA dollars or when not to use your HSA dollars. HSA dollars pay for any eligible expense. Most commonly, the HSA account holder will pay their out-of-pocket expenses (i.e. deductible and coinsurance) associated with their high deductible health plan with their HSA dollars.

What expenses are eligible for reimbursement from my HSA?

HSA dollars may be used for qualified medical expenses incurred by the account holder and his or her spouse and dependents. Qualified medical expenses are expenses for medical care and are outlined within IRS Section 213(d). In summary, the IRS Section 213(d) states that “the expense has to be primarily for the prevention or alleviation of a physical or mental defect or illness.”

In addition to qualified medical expenses, the following insurance premiums may be reimbursed from an HSA:

- COBRA premiums;
- Health insurance premiums while receiving unemployment benefits;
- Qualified long-term care premiums; and
- Any health insurance premiums paid, other than for a Medicare supplemental policy, by individuals ages 65 and over (assuming premiums are not collected through payroll on a pre-tax basis).

What if I have HSA dollars left in my account at year-end?

The money is yours to keep. It will continue to earn interest and will be available for you and your healthcare costs next year. Any dollars left in your HSA account at year-end will automatically roll over into next year's HSA account.

Can I use the money in my account to pay for my dependents' medical expenses?

You can use the money in the account to pay for medical expenses of yourself, your spouse, or your dependent children. You can pay for expenses of your spouse and dependent children even if they are not covered by Apple Tree Dental's \$3,200-75% HSA or the \$4,500-75% HSA plans.

What happens to my HSA dollars if I leave my employer?

The funds are yours to keep. You may elect one of the following options:

- Leave your funds in the current HSA account;
- Transfer your funds to an HSA with your new employer (check to make sure there are no fees associated with the transfer); or
- Transfer your funds to another qualifying account within 60 days.

Flexible Spending Accounts (FSA)

Administered by WageWorks/Health Equity

Effective Date: October 1, 2024

Administrative costs are 100% employer-paid.

Easy and convenient, a Flexible Spending Account (FSA) allows you and your family to save money on medical and/or dependent care expenses. You have the opportunity to set aside funds each pay period on a pre-tax basis. Per paycheck contributions, which are determined by you and can only be changed one time per year during annual enrollment (or for a qualifying event), will be deposited into your FSA account.

You do not have to be enrolled in the company medical, dental or vision to enroll in an in FSA. You manage your FSA funds; you may not use money from your Health Care FSA to pay for dependent care expenses, or vice versa. You must re-enroll every year during Annual Enrollment in order to participate in the FSA benefit plan.

Please Note: The IRS does not allow you to have both an FSA Health Account and an HSA.

Here's How a FSA Works

- You decide the annual amount you want to contribute to either or both FSA's based on your expected healthcare and/or dependent childcare/elder care expenses.
- Your contributions are deducted from each paycheck before income and Social Security taxes, and deposited into your FSA.
- You can pay with the Healthcare FSA debit card for eligible healthcare expenses. For dependent care, you pay for eligible expenses when incurred, and then submit a reimbursement claim form or file the claim online.
- You are reimbursed from your FSA. So, you actually pay your expenses with tax-free dollars.

*Remember, the Flexible Spending Account accumulates on a calendar year basis. The elections you make will be for 2025.

How much can I contribute to my FSA Account?

In 2024, the IRS annual limits on contributions to an FSA Account are as follows:

- Health Account and Limited Purpose - \$3,200
- Dependent Day Care - \$5,000 if filing jointly, \$2,500 if filing single

Basic Life and Accidental Death & Dismemberment (AD&D)

Administered by Lincoln Financial Group

Effective Date: October 1, 2024

100% Paid by Apple Tree Dental

Life and Accidental Death & Dismemberment (AD&D)

This benefit is 100% paid by Apple Tree Dental, and provides you with Life and Accidental Death and Dismemberment (AD&D) insurance of 1 times your annual salary (not including bonuses, overtime, or extra compensation) to a maximum amount of \$100,000. The benefit will be reduced to 65% when you reach age 65 and 50% when you reach age 70. Death benefits are doubled if death is the result of an Accident. This coverage is portable, and you will have the option to take this coverage with you at group rates if you leave Apple Tree Dental. If you are totally disabled, premiums are waived (subject to the elimination period).

Choosing your Beneficiaries

When enrolling in Life and AD&D insurance, you have the opportunity to name both “primary” and “contingent” beneficiaries. In the event of your death, the designated primary beneficiary receives the death benefit. A contingent beneficiary would receive the death benefit if the primary beneficiary cannot be found. The best way to make sure that your death benefit is paid out correctly is to include your beneficiaries’ birth dates and social security numbers when designating your beneficiaries.

Voluntary Life and AD&D Insurance

Administered by Lincoln Financial Group

Effective Date: October 1, 2024

You may purchase Voluntary Life and AD&D insurance in addition to the company-provided coverage for yourself on a payroll deduction basis. If you elect coverage for yourself, you may also elect coverage for your spouse and dependent child(ren) as well. Please note that Voluntary AD&D is not bundled with the Voluntary Life and is considered a separate election.

Employee Supplemental Life

You may purchase in increments of:	\$10,000
Guarantee Issue Amount:	\$150,000
Maximum amount you can purchase:	5 x annual salary to a maximum of \$500,000

For amounts over Guarantee Issue Amount of \$150,000, you must complete an Evidence of Insurability form and be approved for the coverage. If the additional amount over \$150,000 is declined, you will still receive the guaranteed amount of \$150,00.

Spouse Supplemental Life

You may purchase in increments of:	\$5,000
Guarantee Issue Amount:	\$30,000
Maximum amount you can purchase:	50% of employee amount to a maximum of \$250,000

For amounts over Guarantee Issue Amount of \$30,000, your spouse must complete an Evidence of Insurability form and be approved for the coverage. If the additional amount over \$30,000 is declined, your spouse will still receive the guaranteed amount of \$30,000.

Child(ren) Supplemental Life

Maximum amount you can purchase:	\$10,000
----------------------------------	----------

The benefit available for children from live birth to 6 months old is limited to \$250. Dependent children are eligible for coverage until age 26. All amounts of coverage applied for (max of \$10,000) are Guaranteed Issue without needing to provide Evidence of Insurability.

Supplemental AD&D

You may purchase Voluntary AD&D coverage for you, your spouse, and your dependent child(ren). Please note, that Voluntary AD&D is not bundled with your Voluntary Life election, and requires a separate enrollment. The same benefit increments and maximums, Guarantee Issue amounts, and limitations on the Voluntary Life coverage apply to the Voluntary AD&D coverage (see above).

Benefit Reductions

The employee and spouse benefit will be reduced to 65% when you reach age 65 and 50% when you reach age 70, and will terminate upon retirement.

Guarantee Issue Amounts

When you first become eligible, you can purchase up to the Guarantee Issue Amounts shown above without answering medical questions. Evidence of Insurability must be submitted when:

1. Voluntary Life and AD&D amounts elected exceed the Guarantee Issue amounts listed above during your Initial Eligibility period;
2. Any benefit option increase or new election is requested during Open Enrollment which exceeds the amount more than 2 increment levels (\$20,000 for employee coverage; \$10,000 for spousal coverage);
3. Initial coverage is elected more than 31 days after your Initial Eligibility period begins.

Example Monthly Rate Calculated

A **38-year-old employee** elects **\$50,000** of Doctor **Voluntary Supplemental Life without Voluntary AD&D** coverage.

	Life Amount Selected	Divided by 1,000	Multiplied by Rate from Table (equals your monthly cost)
Employee Supplemental Life	\$50,000	/ 1,000 = 50	X \$0.086 = \$4.30

Monthly Rate Calculation Tool

	Life Amount Selected	Divided by 1,000	Multiplied by Rate from Table (equals your monthly cost)
Employee Supplemental Life	\$ _____	/ 1,000 = _____	x _____ = _____
Employee Supplemental AD&D	\$ _____	/ 1,000 = _____	x \$0.020 = _____
Spouse Supplemental Life	\$ _____	/ 1,000 = _____	x _____ = _____
Spouse Supplemental AD&D	\$ _____	/ 1,000 = _____	x \$0.020 = _____
Child Supplemental Life	\$10,000**	n/a**	= \$1.460**
Child Supplemental AD&D	\$10,000**	n/a**	= \$0.360**

*The monthly cost of Voluntary Life and AD&D coverage for your child(ren), is not calculated in the same way as the Voluntary Life and AD&D coverage for you or your spouse, because rates given are per \$10,000 of benefit and the benefit increment and maximum for children is at \$10,000.

Retirement Plan

Administered by ADP

Plan Year: October 1 through September 30

401(k) Retirement Plan

The future offers the potential for a longer life and the need for more income in retirement. You may need 70%-90% of your current annual income to replace your salary and live comfortably once you stop working or change your lifestyle in retirement. We all want the financial security to afford to spend retirement as we choose. And while Social Security may help, it probably won't be enough. It's up to you to make up the difference — and your plan can help.

Apple Tree Dental 401(k) Plan can help you reach your future financial goals, and it's easy to get started. The sooner you enroll, the sooner you can take advantage of these great benefits:

- Tax-advantaged saving through pretax contributions and the Roth 401(k) option
- Employer contributions
- Convenient, automatic payroll deductions
- Investments that make saving easy
- Plan features that simplify planning
- An account you can take with you

Your Contributions

How much you save will have a big impact on how much money you will have when you retire. You can contribute from 1% to 80% of your pretax salary to the plan each year. Your plan also allows you to contribute on an after tax basis through Roth 401(k) contributions.

The IRS limit on your total annual contributions for 2024 is as follows:

- \$23,000/annually
- If you are 50 or older, you can make an additional annual "catch-up" contribution of \$7,500/annually

Try to save as much as you can to meet your retirement goals and take full advantage of the employer match and tax savings your plan offers.

Your Employer Helps

When you participate in the plan, your employer will match 75% up to the first 4% of your eligible compensation. You decide how to invest this contribution.

This chart is for illustrative purposes only. This example assumes contributions made at the beginning of the month and an 8% annual effective rate of return compounded monthly. Results are not meant to represent past or future performance of any specific investment vehicle. Investment return and principal value will fluctuate and when redeemed, the investment may be worth more or less than its original cost. Taxes are due upon withdrawal. Withdrawals taken prior to age 59½ may be subject to a 10% tax penalty.

This is a summary of benefits only and does not guarantee coverage. For a complete list of covered services and limitations/exclusions, please refer to

HIPAA Special Enrollment Rights

Apple Tree Dental Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Apple Tree Dental Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact Brenna Pribnow - Human Resources Assistant at 763.600.6827 or bpribnow@appletreedental.org.

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

Women's Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the following deductibles and coinsurance apply:

Plan 1: \$2,000-40-70% (Individual: 30% coinsurance and \$2,000 deductible; Family: 30% coinsurance and \$6,000 deductible)

Plan 2: \$3,200-75% HSA (Individual: 25% coinsurance and \$3,200 deductible; Family: 25% coinsurance and \$6,400 deductible)

Plan 3: \$4,500-75% HSA (Individual: 25% coinsurance and \$4,500 deductible; Family: 25% coinsurance and \$9,000 deductible)

If you would like more information on WHCRA benefits, please call your Plan Administrator at 763.600.6827 or bpribnow@appletreedental.org.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –

COBRA General Notice

Model General Notice of COBRA Continuation Coverage Rights (For use by single-employer group health plans)

** Continuation Coverage Rights Under COBRA**

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Brenna Pribnow.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov/.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare. For more information visit <https://www.medicare.gov/medicare-and-you>.

If you have questions

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice of Creditable Coverage

Important Notice from Apple Tree Dental

About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Apple Tree Dental and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Apple Tree Dental has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Apple Tree Dental coverage will not be affected. The \$2,000-\$40-70% Aware and High Value Network plans offer the following prescription drug coverage for a 1-month supply: 100% coverage after a \$20 copay for a Generic prescription; 100% coverage after a \$75 copay for a Brand Preferred prescription; 100% coverage after a \$120 copay for a Brand Non-Preferred prescription. The \$3,200-25% HSA Aware and High Value Network and \$4,500-25% HSA Aware and High Value Network Plans offer the following prescription drug coverage for a 1-month supply: 100% coverage after the deductible has been met. Members may keep this coverage if they elect part D and this plan will coordinate with Part D coverage. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current Apple Tree Dental coverage, be aware that you and your dependents may be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Apple Tree Dental and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Apple Tree Dental changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Remember: Keep this Creditable Coverage Notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
