Personal navigator

This is your dedicated advocate with experience in cancer diagnosis and treatments who will provide you and your caretaker with personalized support whenever you need it. Get easy access to your navigator through a “Request a call” button located on the Aetna® Cancer Support Center site.

Your personal navigator can:

- Answer insurance questions
- Help with prior authorizations and appeals
- Connect you with care management
- Assist with finding local resources
- Set up provider consultations

Guided Genetic Health® program*

Genetic counseling and testing can help guide your treatment and assess your risk of developing other forms of cancer.

With the Guided Genetic Health program, you can:

- Access a free online questionnaire in the Aetna Cancer Support Center site to determine if genetic counseling and testing are right for you
- Participate in convenient, at-home genetic testing and counseling
- Receive personalized and actionable health recommendations delivered by experts

Aetna Cancer Support Center

The Aetna Cancer Support Center brings resources to your fingertips, serving as your trusted source for information and guidance on what to expect while managing cancer treatment and care.

The Aetna Cancer Support Center:

- Serves as a free, convenient digital information hub designed around your needs
- Provides details about diagnostic tests, treatments and benefits specific to your coverage
- Offers self-service support for breast, colorectal, prostate, lung, ovarian, uterine and other cancers
