The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.Medica.com or call (952) 945-8000 (TTY: 711) or 1 (800) 952-3455 (TTY: 711). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call (952) 945-8000 (TTY: 711) or 1 (800) 952-3455 (TTY: 711) to request a copy.

| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br>deductible?  | <b>\$1,500</b> per person / <b>\$3,000</b> per family<br>in-network and <b>\$1,500</b> per person /<br><b>\$3,000</b> per family out-of-network.  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you<br>meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> and <u>prescription</u><br><u>drugs</u> from in-network <u>providers</u> and<br>prescriptions drugs, well-child and<br>prenatal care out-of-network.            | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other<br>deductibles for specific<br>services?                  | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the<br><u>out-of-pocket limit</u> for<br>this <u>plan</u> ?       | <b>\$2,250</b> per person / <b>\$4,000</b> per family<br>in-network and <b>\$2,250</b> per person /<br><b>\$4,000</b> per family out-of-network.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, balance-billing charges<br>(unless balanced billing is prohibited),<br>and health care this <u>plan</u> doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See <u>www.Medica.com/FindCare</u> or<br>call 1-952-945-8000 or 1-800-952-3455<br>(TTY: 711) for a list of Medica Choice<br>with UnitedHealthcare <u>network</u><br><u>providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u><br>to see a <u>specialist</u> ?             | No. You don't need a <u>referral</u> to see a <u>specialist</u> .   | You can see the specialist you choose without a referral.   |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
