Ordering contacts online is quick and easy. Just follow these simple steps. Or, visit ContactsDirect.com/vision-insurance for a video tutorial.

1 Getting Started

Make sure that you have your current prescription and the name and contact information of your eye doctor.

2 Register

Go to ContactsDirect.com and start by clicking "Register" at the top of the page to create an account. After you've entered your information, be sure to check the "Register with my Insurance" box to apply your EyeMed vision benefits to your account.

3 Choose Contacts

Input your prescription information and choose your prescribed contacts from our large selection of leading brands.

4 Check Out

Fill in your shipping and billing information and select your payment method.

We'll contact your doctor, verify your prescription and ship your contacts to you for free in 5-7 business days.
