

Health Assessment Benefit: A valuable part of your group accident insurance

It pays to be healthy.

It's easier to prevent a medical condition than to cure it. That's why healthcare professionals recommend regular health screenings that can detect potential medical conditions early on.

But if you're enrolled in Lincoln Financial Group Accident Insurance, you have another incentive as well: We'll pay you for keeping up with important screenings.

As you can see below, a wide range of screenings and exams are covered. It's easy to take advantage of this benefit:

- Each plan year, you'll receive cash back for one covered screening no waiting period.
- Claims may be submitted by fax, mail, online through the employee self-service portal or email, and will be processed within 24 hours of receipt. Telephonic submissions are processed while the claimant is on the phone.
- Your health assessment benefit will be paid within 24 hours of receiving a completed claim form.
