MEDICAL

StratAir offers two medical plans administered by Premera Blue Cross. Premera is part of the national Blue Cross Blue Shield network.

With each plan, you can see any doctor you like, but you'll pay less when you see a doctor from a Premera network. Both cover the same services, but differ in what you pay for coverage (premiums) and how much you pay when you get care (deductibles, copays and coinsurance).

The High Deductible Health Plan (HDHP) has the lowest premium, but the highest deductible. It also comes with a Health Savings Account (HSA), where you can save pre-tax money to pay for health care expenses. An HSA has unique tax benefits, your contributions reduce your taxable income, you can invest your funds and grow your account tax-free and you pay no taxes on withdrawals for qualified medical expenses.

StratAir will also contribute to your HSA – \$875 for employee-only coverage, or \$1,750 if you cover one or more dependents. This plan is great for those who don't expect high medical expenses.

The PPO has the lowest deductible, but the highest premium. This option might be right for you if you expect to have significant medical expenses, such as for an ongoing condition, or if you are expecting a child this year.

Get the Premera app

Once enrolled in a medical plan, create a Premera account at premera.com (select "Create your account" on the home page) and download the Premera app:

- Log in as a "member" at premera.com.
- The login you create for your Premera account should also be used for the Premera app – the app will give you access to your electronic medical ID card.

Finding network providers

To find a network provider, go to premera.com > *Find Care* > *Find a Doctor*. For providers in Florida and elsewhere, select the *BlueCard PPO* network.

- **Delta Dental Premier dentist:** Like seeing a PPO dentist, but with slightly lower coverage – you pay a bit more of the cost.
- **Out-of-network dentists:** Same coverage as a Premier dentist but without cost protection. If charges are higher than the maximum allowed, you're responsible for the additional cost.

The table below compares the plans and shows what you'll pay for services under each.

Wellness discount

Your medical premiums shown above include StratAir's wellness discount, which saves you \$50 every month on your medical premiums. New hires automatically receive the wellness discount in the year they are hired.

To earn the wellness discount each year, both you and your covered spouse or domestic partner need to get your annual preventive exam. Vivacity, our wellness partner, will automatically be notified when you complete your exam with Catapult or under the Premera plan.

Results are kept strictly confidential and not shared with StratAir.

Get your annual preventive exam by November 30. You can get an exam with your own provider or virtually through **Catapult Health**. Order your free check-up kit at virtualcheckup.com/saltchuk.

Whether you get an exam with your provider or through Catapult, Premera will notify Vivacity when you complete the requirements.

Your exam results are never shared with StratAir.

HEALTH SAVINGS ACCOUNT

If you enroll in the High Deductible Health Plan (HDHP), you may be eligible for a Health Savings Account (HSA). An HSA lets you save for health care expenses while reducing your taxes. An HSA has triple tax benefits:

1. Contributions go in tax-free.
2. Money grows tax-free.
3. Withdrawals for qualified health care expenses are tax-free.

Use your HSA to cover your and your tax dependents' out-of-pocket health care expenses. At the end of the year, if there's money left in the account, it's yours. Your HSA can be a long-term savings account for your future health care costs.

StratAir's HSA contributions

If you open a Fidelity HSA, StratAir will contribute to your account:

- \$875 if you cover just yourself
- \$1,750 if you cover one or more dependents

If you enroll mid-year, StratAir's contributions will be prorated.

Your contributions

You can also contribute to your HSA from your paycheck, up to IRS maximums. In 2023 the total of what you and StratAir can put into your HSA is \$3,850 for individual coverage or \$7,750 if you cover dependents.

If you are age 55 or older, you can contribute an additional catch-up contribution of \$1,000 per year

You must re-enroll each year during open enrollment to continue contributing to your HSA.

Eligibility

Only those enrolled in the HDHP can contribute to an HSA or receive StratAir's HSA contributions. You and StratAir cannot contribute to an HSA if you're enrolled in certain government medical plans, such as Medicare or Tricare, or if you're covered by any other non-high-deductible health plan, including a health care FSA.

You can have a limited-purpose health care FSA. If you are unsure if you are eligible to contribute to an HSA, consult a tax professional.

You'll need to open your account with Fidelity to receive StratAir's contributions and to make your own contributions. Go to [401k.com](https://www.fidelity.com) to set up your account and name a beneficiary. You can also activate your HSA debit card, which you can use to pay your share of costs straight from your account.

FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Accounts (FSAs) are a way to save tax-free dollars for health care expenses and for child- or elder-care costs. StratAir offers three different accounts.

Health Care FSA

You can enroll in a Health Care FSA unless you are contributing to an HSA. Contribute up to \$2,850 (this limit may increase in 2023). Use your FSA to pay for your and your tax dependents' out-of-pocket medical, dental and vision expenses, including deductibles, copays and coinsurance amounts.

Limited-Purpose Health Care FSA

If you enroll in the High Deductible Health Plan, and open a Health Savings Account (HSA), you can only contribute to a Limited-Purpose Health Care FSA. You can use this account to pay for out-of-pocket dental and vision expenses. Contribute up to \$2,850 (this limit may increase in 2023). Consider contributing to your HSA before electing this plan as an HSA is more flexible.

Dependent Care FSA

Use a Dependent Care FSA to pay for your eligible child- or elder-care expenses. Contribute up to \$5,000 per year (\$2,500 if married but filing taxes separately).

Plan carefully

Be careful when figuring how much to contribute. You can't change your contribution during the year unless you have a qualified change in status, such as a marriage, birth, divorce, etc. You cannot transfer funds between the accounts. And the funds you don't use during the year are forfeited.

You must re-enroll each year during open enrollment to continue participating in an FSA.

StratAir's FSAs are administered by Navia. To file a claim or manage your account, go to naviabenefits.com. Or download the **MyNavia Benefits** app.

BASIC LIFE AND AD&D INSURANCE

StratAir offers basic life and accidental death and dismemberment (AD&D) insurance through Symetra at no cost to you.

In the event of your death, your basic life insurance coverage pays your beneficiary a benefit equal to your annual base salary, up to a maximum of \$250,000.

If you die as a result of an accident, your beneficiary will also receive benefits from basic AD&D insurance, equal to your basic life insurance amount. If you are seriously injured in an accident, you'll receive a portion of the coverage depending on the injury.

Basic life and AD&D insurance age reduction begins at age 65. For additional details visit StratAir's benefits portal at c2mb.ajg.com/saltchukaviation.

Be sure to elect your life insurance beneficiary by completing a Symetra Life Insurance Beneficiary Designation Form and uploading it to your UKG documents. Contact Employee Services for more information.

DISABILITY COVERAGE

StratAir provides you with short- and long-term disability coverage. If you suffer an illness or injury that keeps you away from work, disability coverage will replace a portion of your income while you are away.

Short-term disability begins after a seven-day waiting period and provides a benefit of 60% of your base weekly earnings, up to \$1,500 per week for a maximum of 26 weeks.

If your disability is planned, please contact Symetra ahead of time. If unplanned, begin the process as quickly as possible, or your first payment could be delayed.

Long-term disability begins if you are unable to work for more than 180 days. Long-term disability provides 60% of your usual monthly earnings (up to \$10,000 a month).

You are eligible for payment up to your Social Security normal retirement age. The maximum duration of payments varies depending on your age when the disability begins. For additional details visit StratAir's benefits portal at c2mb.ajg.com/saltchukaviation.

To file a claim for long-term disability benefits, contact our disability administrator Symetra by going to symetra.com/myGO or by calling **877-377-6773**. You'll need contact information for yourself and your doctor, your Social Security number, and the group policy number: **01-016857-00**.

VOLUNTARY BENEFITS

Buy-up life and AD&D insurance

You can buy additional life and AD&D insurance coverage to supplement the basic coverage provided by StratAir, as shown in the table below. You can purchase coverage for yourself, your spouse or domestic partner, and your children.

Plan	Coverage levels
Buy-up life	You: 1 - 5x annual salary, up to \$750,000 Spouse/domestic partner: 0.5 - 5x your annual salary, up to \$750,000 or 100% of your coverage Child(ren): \$10,000 (\$1,000 until 6 months old)

Enroll at GallaghervChoiceEnroll.com. Depending on the level of coverage you elect, you and/or your spouse may need to provide proof of good health.

Accident insurance

Nobody plans to have an accident – and most people don't budget for one, either. Accident insurance helps you pay for out-of-pocket expenses that medical insurance won't cover.

If you or a covered family member is injured in a covered accident, you'll receive benefits based on the accident and treatment. For more information on cost and coverage or to enroll, visit GallaghervChoiceEnroll.com.

Critical illness insurance

Medical insurance alone can't stop a major diagnosis from draining your finances. Copays, deductibles, alternative treatments – these unexpected expenses can add up quickly. Critical illness insurance provides an affordable option for easing the financial burden that can come with a serious illness. This coverage is offered through Standard Insurance Company.

Critical illness insurance will pay a lump sum upon diagnosis of a covered critical illness. You may elect \$15,000 worth of coverage for yourself, and you may cover your spouse or domestic partner for the same amount. Children are automatically covered at \$3,750 at no extra cost. Certain additional illnesses are covered at 25% of the total coverage level, and the plan covers certain preventive screenings, up to \$50 per year. Learn more at GallagherChoiceEnroll.com.

MetLife legal plans

Most of us will need legal assistance at some point. Whether it is help with drafting a will or purchasing a home, a legal plan can give you the support you need. The legal service plan is offered through MetLife.

This benefit can be used to assist you and your immediate family with many issues, including:

- Family and personal law
- Money matters
- Home and real estate
- Vehicle and driving issues

401(k) PLAN

Our 401(k) plan helps you save for your future – and get company contributions! All full-time employees are eligible, as well as seasonal and casual employees who work at least 1,000 hours a year.

When you enroll, you decide how much you'd like to contribute to your account, as well as how you'd like to invest your contributions. You can make pre-tax, after-tax or Roth contributions.

If you don't enroll, you'll be automatically signed up for a 2% of pay pre-tax contribution rate with an automatic increase of 1% each year up to a maximum of 15%. You can change your contribution rate at any time.

Company contributions!

The company will match what you contribute dollar for dollar, up to **the first 4% of pay** you contribute. So if you want the most free money, contribute at least 4% each payday – and your total savings will equal 8% of pay. You own the matching contributions immediately – there is no vesting.

IRS limits

Total annual contributions are limited by the IRS to \$20,500. If you turn 50 or older in 2023, you can make up to an additional \$6,500 in catch-up contributions. These limits may change in 2023.

To access your account, register with Fidelity Investments at

401k.com or call **800-835-5095** (tell Fidelity you work for a Saltchuk company).
