

SAVE MONEY WITH TRIA HEALTH

**ACTIVE PARTICIPANTS WILL RECEIVE FREE GENERICS
& 50% OFF SELECT BRAND MEDICATIONS**

Tria Health's Pharmacy Advocate Program offers one-on-one, private consultations with a Tria Health pharmacist. Your pharmacist will work with you and your doctor(s) to ensure you're getting the intended outcomes from your medications.

COORDINATED CARE

Tria will coordinate care between you and your doctor on any necessary medication changes. Everything is confidential and you and your doctor have the final say.

FEEL BETTER

Improve your health through effective medication management.

NO STRINGS ATTACHED

Your pharmacist will work with your doctor(s) to find lower cost medications without switching pharmacies.

SAVE MONEY

Average members save \$240 a year on prescription drugs.
