You never know when a disability could impact your way of life. Fortunately, there's a way to help protect your income. If a covered accident or sickness prevents you from earning a paycheck, disability insurance can provide a monthly benefit to help you cover your ongoing expenses.

Can you afford to not protect your income?

You don't have the same lifestyle expenses as the next person. That's why you need disability coverage that can be customized to fit your specific needs.

After calculating your monthly expenses, your benefits counselor can help you complete the benefits worksheet.
