What is an Employee Assistance Program (EAP)?

Your EAP provides you and your household members with free, confidential assistance to help with personal or professional problems that may interfere with work or family responsibilities.

How Does it Work?

A Care Coordinator will confidentially assess the problem, assist with any emergencies and connect you to the appropriate resources. The Care Coordinator then becomes your personal point of contact and will keep in touch to ensure you achieve your desired outcomes.

What is Included?

You and your household members can receive up to **6 short-term problem resolution sessions** (which include assessment, follow-up and referral services) per issue, per year.

Program Features:

- Services are available 24-hours a day, 7-days a week via a toll-free number.
- This program is a free benefit provided and paid for by your employer.
- BHS adheres to federal and state privacy laws and holds client information in the strictest of confidence. Information about a client's problem cannot be released without the written permission of that individual.
