Download the app to get started

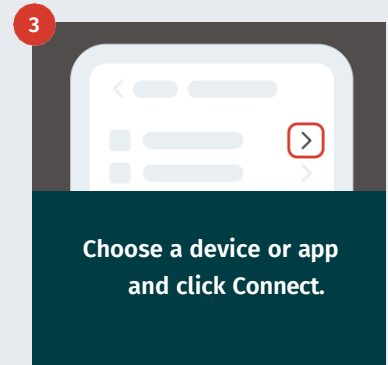

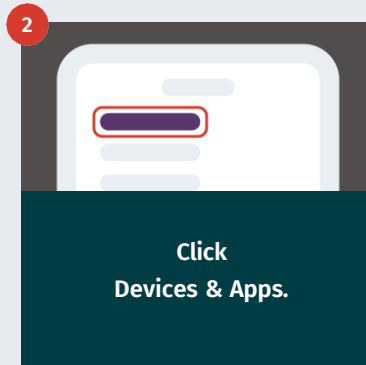

You can sign in with your existing username and password or select **Create Account.**

Connect a device or app

Download the Personify Health app, then follow these easy steps:

Compatible devices and apps

Personify Health supports a variety of tracking devices and apps that will help you get credit for validated steps, active minutes, sleep, meditation sessions and more. So, pick your favorites, connect them to your account and start tracking your activity. Sign in to your account to see all of the options available to you. Here are just a few:

Syncing is the simple process of uploading information from an activity tracker to the mobile app, so it's all in one place. **Be sure to sign in to your Personify Health app at least once a week so your data syncs and counts toward your activity goals.**
