### MEDICAL

We offer three medical plans. All cover generally the same services, but differ in what you pay for coverage (premiums) and how much you pay when you get care (deductible, copay and coinsurance).

The HMSA Preferred Provider Plan (PPP) and HMSA CompMED are PPO plans, you can see any doctor you like, but you'll pay less when you see a doctor in the HMSA network. The Kaiser plan is an HMO, which only covers services from associated facilities (except in emergencies).

The HMSA plans provide the most freedom. Participants don't need to choose a primary care physician, and can see specialists without a referral. The Kaiser HMO requires participants to choose a primary care physician to coordinate their care, and you'll need a referral to see a specialist.

### **Finding network providers**

#### **HMSA** plans

To find participating

providers go to **hmsa.com** >*Find a Doctor*. From there, select your plan:

- Preferred Provider Plan (PPO), or
- CompMED

Then search for providers by name, location, specialty or condition. You can also call HMSA at **808-948-6111**.

#### Kaiser HMO

To find a Kaiser provider or facility go to **kp.org** >

*Find doctors & locations*. Choose your service area. Then search by provider specialty, location or distance.

### **On-demand primary care**

If you are enrolled in a medical plan, you have an additional resource to help you stay well and get the care you need.

#### 98point6

98point6 connects you and your covered dependents age 1 or older with a physician via text through your mobile device – so you can get a diagnosis and treatment anywhere. There is no cost for up to 36 visits per year, then you'll pay \$5 per visit.

Additional services – such as prescriptions and lab tests – are covered at your medical plan's regular level of benefits. Kaiser members must receive additional services from Kaiser providers and facilities.

Setting up 98point6 is easy Download the 98point6 app from Google Play or the Apple App Store.

### **Medicare Consulting Services**

If you are planning for retirement or thinking of enrolling in Medicare, choosing the right Medicare plan can be confusing and stressful. That is why we have partnered with LIG Solutions to offer free consulting services for Medicare eligible employees and dependents.

Contact LIG to set up a free consultation online at partner.ligsolutions.com/Saltchuk-Medicare or call 866-203-9831.

### Domestic partner coverage

Coverage for a domestic partner who is not your tax dependent is subject to imputed income. This means you will pay taxes on the value of the coverage. Additionally, premiums for domestic partner coverage are deducted on an aftertax basis.

### **FLEXIBLE SPENDING** ACCOUNTS

Flexible Spending Accounts (FSAs) are a way to save tax-free dollars for health care expenses and for child- or elder-care costs. We offer Health Care and Dependent Care FSAs.

#### **Health Care FSA**

Use a Health Care FSA to save for medical expenses. Contribute up to \$3,050 (this limit may increase in 2024). Use your FSA to pay for your and your tax dependents' out-of-pocket medical, dental and vision expenses, including deductibles, copays and coinsurance amounts.

#### **Dependent Care FSA**

Use a Dependent Care FSA to pay for your eligible childor elder-care expenses. Contribute up to \$5,000 per year (\$2,500 if married but filing taxes separately).

#### **Plan carefully**

Be careful when figuring how much to contribute. You can't change your contribution during the year unless you have a qualified change in status, such as a marriage, birth, divorce, etc. You cannot transfer funds between the accounts.

You may be eligible to carry over up to \$610 (this amount may increase in 2024) of unused Health Care FSA funds from one year to the next, provided you remain enrolled in the plan. Unused Dependent Care FSA funds cannot be carried over and are forfeited.

FSAs are administered by Navia. To file a claim or manage your account, go to naviabenefits.com. Or download the MyNavia Benefits app.

### BASIC LIFE AND AD&D INSURANCE

We offer basic life and accidental death and dismemberment (AD&D) insurance through Symetra. If you work a minimum of 30 hours per week you are automatically enrolled the first of the month following your date of hire. If you are hired on the first of the month, your coverage is effective immediately.

In the event of your death, your basic life insurance coverage pays your beneficiary a benefit equal to your annual salary, up to \$250,000.

If you die as a result of an accident, your beneficiary will also receive benefits from basic AD&D insurance, equal to your basic life insurance amount. If you are seriously injured in an accident, you'll receive a portion of the coverage depending on the injury.

Basic life and AD&D insurance age reduction begins at age 65. For additional details visit the benefits portal at **c2mb.ajg.com/aloha**.

Be sure to elect your life insurance beneficiary by completing a Symetra Life Insurance Beneficiary Designation Form and uploading it to your UKG documents. Contact Human Resources for more information.

### TEMPORARY DISABILITY COVERAGE

We provide you with temporary disability coverage. If you suffer a non-work-related illness or injury, disability coverage will replace a portion of your income while you are unable to work.

Temporary Disability Insurance (TDI) begins after a sevenday waiting period and provides a benefit of 58% of your base weekly earnings, up to \$765 per week (this amount may change in 2024) for a maximum of 26 weeks.

#### Filing a claim

Contact John Mullen and Company at 808-531-9733.

You'll need to provide information about your condition as well as contact information for yourself and your doctor.

If your disability is planned please contact the disability administrator ahead of time. If unplanned, begin the process as quickly as possible, so your first payment is not delayed.

Plan	Coverage levels
Buy-up life	You: 1 - 5x annual salary, up to \$750,000 Spouse/domestic partner: 0.5 - 5x your annual salary, up to \$750,000 or 100% of your coverage Child(ren): \$10,000 (\$1,000 until 6 months old)

Enroll at **GallaghervChoiceEnroll.com**. Depending on the level of coverage you elect, you and/or your spouse may need to provide proof of good health.

### Long-term disability

Long-term disability coverage is available to full-time employees. Benefits begin if you are unable to work for more than 180 days and provides 50% of your usual monthly earnings (up to \$10,000 a month). Benefits continue to at least age 65 (if you remain disabled), depending on when your disability starts.

For more information on cost and coverage or to enroll, visit **GallaghervChoiceEnroll.com**.

### **Accident insurance**

Nobody plans to have an accident – and most people don't budget for one, either. Accident insurance helps you pay for out-of-pocket expenses that medical insurance won't cover.

If you or a covered family member is injured in a covered accident, you'll receive benefits based on the accident and treatment. For more information on cost and coverage or to enroll, visit **GallaghervChoiceEnroll.com**.

### **Critical illness insurance**

Medical insurance alone can't stop a major diagnosis from draining your finances. Copays, deductibles, alternative treatments – these unexpected expenses can add up quickly. Critical illness insurance provides an affordable option for easing the financial burden that can come with a serious illness. This coverage is offered through Standard Insurance Company.

Critical illness insurance will pay a lump sum upon diagnosis of a covered critical illness. You may elect \$15,000 worth of coverage for yourself, and you may cover your spouse or domestic partner for the same amount. Children are automatically covered at \$3,750 at no extra cost. Certain additional illnesses are covered at 25% of the total coverage level, and the plan covers certain preventive screenings, up to \$50 per year. Learn more at **GallaghervChoiceEnroll.com**.

## 401(K) PLAN

Our 401(k) plan helps you save for your future – and get company contributions! All regular employees are eligible, as well as Supplemental employees who work at least 1,000 hours a year.

When you enroll, you decide how much you'd like to contribute to your account, as well as how you'd like to invest your contributions. You can make pre-tax, aftertax or Roth contributions.

If you don't enroll, you'll be automatically signed up for a 2% of pay pre-tax contribution rate with an automatic increase of 1% each year up to a maximum of 15%. You can change your contribution rate at any time.

#### **Company contributions!**

**The company will match** what you contribute dollar for dollar, up to **the first 4% of pay** you contribute to your pre-tax or Roth 401(k) account. So if you want the most free money, contribute at least 4% each payday – and your total savings will equal 8% of pay. After-tax contributions are not eligible for company match. You own the matching contributions immediately – there is no vesting.

#### **IRS limits**

Total annual contributions are limited by the IRS to \$22,500. If you turn 50 or older in 2024, you can make up to an additional \$7,500 in catch-up contributions. These limits may change in 2024.

To access your account, register with Fidelity

Investments at **401k.com** or call **800-835-5095** (tell Fidelity you work for a Saltchuk company).

 $\checkmark$
