The MBA Scholarship Program

The Minnesota Benefit Association has awarded hundreds of post-secondary scholarships to MBA members and their families. We are proud to deliver this program enabling students from communities across Minnesota to continue their education.

Scholarships are awarded based on financial need, academic achievement, vocational goals, community involvement, and an original essay. Scholarship application forms are available by November 1 online at MinnesotaBenefitAssociation.org. Completed applications must be postmarked by April 15.

The scholarships are funded in part by the MBA endorsed benefit providers and in part by contributions from MBA members.
