Benefits Overview

Consolidated Communications is proud to offer a comprehensive benefits package to all eligible, full-time Illinois Bargaining employees who work at least 30 hours per week. The complete benefits package offered by Consolidated Communications is briefly summarized in this booklet. Consolidated Communications also has a great resource that is there to help you and your family understand and effectively use the benefits.

Employee Benefits Website

We encourage our employees and families to become familiar with and use the resources offered on the customized Consolidated Communications Benefits Website as often as possible. You will find that almost all of your questions and concerns can be addressed with a simple click of a mouse!

On this website, you will find detailed information about our current employee benefits program as well as all of the necessary benefit summaries, claim forms, enrollment forms, customer service numbers, frequently asked questions, and direct links to your online provider network directories.

To access the Consolidated Communications Benefits Website and for more information on your benefits, please visit <https://c2mb.ajg.com/ccilb/home/>.

PeopleSoft eBenefits Online Enrollment

Enrolling online is easy! Simply log into PeopleSoft using your User ID and password. From the Main Menu, select Employee Self Service > Benefit Details > Benefits Enrollment.

- Select the links under the Benefits Enrollment menu to review, enroll in, or change plan options. The per pay period cost is displayed for each option.
- Once your elections have been made, click the "Done" button to save your changes for processing.
- The enrollment is not complete until you click the "Submit Enrollment" button to finalize your elections.
- Upon completion, a Benefit Statement will be generated in PeopleSoft to review your elections, PeopleSoft > Employee Self Service > Benefit Details > Benefit Statements.

Eligibility

You and your dependents are eligible for benefits with Consolidated Communications on the first of the month following 2 months of full-time employment. Eligibility may vary for other benefits.

Eligible dependents are your spouse, children up to age 26, or disabled dependents of any age.

Elections made now will remain until the next annual enrollment unless you or your family members experience a status change event. If you experience a qualified status change event, you must contact HR within 31 days.

Qualified life or family status changes are defined as:

- Marriage, divorce, or legal separation
- Gain or loss of an eligible dependent for reasons such as birth, adoption, court order, disability, death, marriage, or reaching the dependent-child age limit
- Changes in your dependent's employment affecting benefit eligibility
- Changes in your dependent's benefit coverage with another employer that affects benefit eligibility

This document is an outline of the coverage provided by the carrier(s) contracted with CCI. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy documents will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be directed to the insurance carrier or to HR Services.

Short-Term Disability (STD)

Administered by Sedgwick Claims Management

Short-term disability coverage is provided at no cost to all full-time employees after twelve months of full-time employment. Disability provides income replacement when you are disabled from an accident or illness, for up to 26 weeks. In the event of an absence, there is a 3-day waiting period before benefits begin. The waiting period is waived for claims related to accidents, overnight hospital admissions, or outpatient surgeries.

Claims are subject to approval by Sedgwick Claims Management. Payments are integrated and offset by any state mandated disability programs, as well as workers' compensation pay. FMLA runs concurrently with short term disability.

Disability pay is equal to 100% of your basic weekly pay for the first 60 calendar days, then 75% of weekly pay for an additional 120 calendar days.

Long-Term Disability (LTD)

Insured by Reliance Matrix

What happens if you have an unexpected injury or illness that leaves you unable to work or earn a paycheck? Few people believe it will happen to them, but the truth is, your risk of becoming disabled is far greater than you may think. Consolidated Communications employees are provided LTD coverage through Reliance Matrix. Coverage is provided at no cost to you, following one year of full-time service.

Your LTD monthly benefit is paid at 60% of your monthly earnings, up to a maximum monthly benefit of \$3,000. You must be disabled for a total of 180 days before payments begin. You are provided long term disability for two years when unable to perform your OWN occupation; if after two years you are unable to perform ANY occupation, your disability payments may continue until social security normal retirement age.

Employees receiving LTD benefits will be paid any and all of the earned but unused vacation balance that is available when LTD benefits begin.

There are no benefits for pre-existing conditions during your first 12 months of coverage. Pre-existing conditions include any condition for which the employee would have sought medical treatment for and/or had symptoms that a reasonably prudent person would have sought treatment for. Employment with the company is terminated after 12 months of continuous disability (STD and LTD combined).

Flexible Spending Account (FSA)

Administered by WEX

FSAs allow you to have pre-tax money deducted from your paycheck to pay for certain expenses. Since contributions are made through payroll deductions with pre-tax dollars, you decrease your taxable income and thereby increase your take-home pay.

There are two types of FSAs available:

- Healthcare
- Dependent Care

You are eligible for FSA on the first day of the month following two months of full-time employment.

Healthcare FSA

Using pretax payroll contributions, you can receive reimbursement from your Healthcare FSA for eligible medical, dental and vision expenses incurred by you or an eligible dependent, as long as the expenses are not covered or reimbursed by other plans.

- You can elect to contribute up to \$3,050 per year
- Some eligible expenses include:
 - o Office visit and prescription drug copays
 - o Medical and dental deductibles and copays
 - o Prescription and over-the-counter drugs
 - o Feminine products
 - o Vision care, including prescription glasses, contact lenses and solution, nonprescription glasses if for vision correction, and LASIK

Important Note: Healthcare Tax Deduction

A healthcare tax deduction is available on your federal income tax return if you have expenses that are more than 10% of you and your spouse's taxable pay. Most people do not have medical expenses of more than 10% of income. If you think your expenses will be more than 10%, you should consult your tax advisor before using this account because you may not use a FSA or HSA and the tax deduction for the same expenses.

Dependent Care FSA

Consolidated Communications offers an opportunity for you to save money for daycare for eligible dependents through the Dependent Care FSA. You decide how much to contribute, up to \$5,000 per year, per household.

Plan Forfeitures and Healthcare FSA Rollover Provision

In general, expenses must be incurred during the 2024 plan year, and filed before March 31, 2025. You may be eligible to roll over up to \$610 (\$25 minimum) remaining in your Healthcare FSA account, to be used during the 2025 plan year. Anything over \$610 left in your 2024 plan year account will be forfeited. This rollover does not apply to the Dependent Care FSA. Any funds remaining in your Dependent Care FSA account at the end of the plan year will be forfeited per IRS regulations.

FSA Debit Card

The FSA Debit Card allows you to pay for your eligible Healthcare expenses directly at the point of service. This allows you to avoid the traditional problems of an FSA such as paying cash for services (in addition to your payroll deduction) and waiting for a reimbursement check or direct deposit.

When paying for an FSA eligible expense, such as an office copay, simply provide your flex convenience card for payment instead of cash/credit/check. There is no need to complete a claim form. Simply keep a copy of your itemized receipt or Explanation of Benefits (EOB) in case it is needed for verification/substantiation.

Substantiation Requirements

For medical expenses, the IRS requires you to substantiate:

- Date service was received or purchase made
- Description of service or item purchased
- Dollar amount
- Provider or store name
- In some cases, a Medical Necessity Form or physician letter may be required

NOTE: In some cases, the plan's design requires that your health insurer's Explanation Of Benefits (EOB) is provided as substantiation for your expense. If you receive an itemized receipt from your provider for a copay amount, make sure the receipt says "copay." If not, ask your provider to write "copay" on your receipt before leaving the office.

For dependent care expenses, the IRS requires you to substantiate:

- Dates of service
- Dollar amount incurred
- Daycare provider name
- Daycare provider signature

NOTE: Daycare expenses must be incurred (not just paid) in order to receive reimbursement. Registration fees cannot be reimbursed until the services are actually incurred. You will be required to report your dependent care provider's Tax ID (TIN) or SSN on IRS Form 2441 when you file your federal income tax return.

Vague or missing information causes your reimbursements to be held up, become ineligible, or result in deactivation of your FSA debit card. Keep your receipts and documentation.

Life and Accidental Death & Dismemberment

Insured by Voya

Life and Accidental Death Insurance

Life insurance provides financial security for the people who depend on you. Your beneficiaries will receive a lump sum payment if you die while employed by Consolidated Communications. Accidental Death and Dismemberment (AD&D) insurance provides payment to you or your beneficiaries if you lose a limb or die in an accident.

The company provides basic life and AD&D insurance in the amount of \$75,000. Coverage levels change starting at age 65 - see Voya booklet. There is no cost to you for this coverage. Employees are eligible the first day of the month following 2 months of full-time employment.

Supplemental Life and Supplemental Accidental Death and Dismemberment (Voluntary)

Insured by Voya

You may purchase life and/or AD&D insurance in addition to the company-provided coverage. You may also purchase insurance for your dependents when electing coverage for yourself. New employees are guaranteed supplemental life coverage (up to \$250,000 and up to \$50,000 for your spouse) without answering medical questions if you enroll when you are first eligible. There are no medical questions required for supplemental AD&D. Life and AD&D elections are separate, so you may elect one or the other, or both.

Full-time employees are eligible on the first day of the month following 2 months of full-time employment. If you do not elect life insurance when first eligible, you will be considered a late entrant, and will have to submit Evidence Of Insurability (EOI), which is reviewed by Voya for coverage determination. Coverage levels change after age 65—see Voya booklet. Life benefits are portable if requested within 30 days of termination of employment.

Legal Updates

HIPAA Special Enrollment Rights

Loss of Other Coverage — If you are declining or have declined enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may in the future be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing towards you or your dependent's coverage. To be eligible for this special enrollment opportunity, you must request enrollment within 31 days after your other coverage ends or after the employer stops contributing towards the other non-COBRA coverage.

New Dependent as a Result of Marriage, Birth, Adoption or Placement for Adoption — If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and/or your dependents.

To be eligible for this special enrollment opportunity, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Medicaid Coverage — The Consolidated Communications, Inc. Health Benefits Plan will allow an employee or dependent who is eligible, but not enrolled for coverage, to enroll for coverage if either of the following events occur:

- 1. TERMINATION OF MEDICAID OR CHIP COVERAGE** - If the employee or dependent is covered under a Medicaid plan or under a State child health plan and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility.
- 2. ELIGIBILITY FOR PREMIUM ASSISTANCE UNDER MEDICAID OR CHIP** - If the employee or dependent becomes eligible for premium assistance under Medicaid or CHIP, including under any waiver or demonstration project conducted under or in relation to such a plan. This is usually a program where the state assists employed individuals with premium payment assistance for their employer's group health plan rather than provide direct enrollment in a state Medicaid program.

To be eligible for this special enrollment opportunity you must request coverage under the group health plan within 60 days after the date the employee or dependent becomes eligible for premium assistance under Medicaid or CHIP or the date you or your dependent's Medicaid or state-sponsored CHIP coverage ends.

HIPAA Privacy Notice

HIPAA requires Consolidated Communications, Inc. to notify you that a privacy notice is available by obtaining a copy from your Human Resource department. Please contact Human Resources if you have any questions.

Pretax Contributions

In most cases, Consolidated Communications, Inc. employees' contributions for health coverage are deducted from their paychecks on a pretax basis meaning before federal income taxes, state income taxes (in most cases), and FICA taxes are calculated. Internal Revenue Code (I.R.C.) Section 152 defines what dependent contributions are eligible for pretax deductions. The IRS does not allow employees' contributions for dependent health coverage to be deducted on a pretax basis unless the dependent(s) meet the definition of a tax dependent under I.R.C. Section 152. If they do not meet the definition of a tax dependent, they may be either ineligible for the Plan, or in some cases, the IRS taxes the additional fair market value of these benefits and treats it as Imputed Income. Contributions for medical, dental and vision coverage for eligible dependents that do not meet the definition of a tax dependent will be made on a post-tax basis and the Imputed Income will be included on your paycheck and IRS Form W-2.

With the signing of the Affordable Care Act and new regulations by the Treasury Department, the value of any employer-provided health coverage for an employee's child is excluded from the employee's income through the end of the taxable year in which the child turns 26.

Under IRS Notice 2010-38, a child is defined as son/daughter, step son/daughter, adopted child or eligible foster child, without regard to whether the child is financially supported by the employee or resides with the employee or is a full-time student.

Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act requires group health plans that provide coverage for mastectomy to provide coverage for certain reconstructive services. This law also requires that written notice of the availability of the coverage be delivered to all plan participants upon enrollment and annually thereafter. This language serves to fulfill that requirement for this year. These services include:

- Reconstruction of the breast upon which the mastectomy has been performed
- Surgery/reconstruction of the other breast to produce a symmetrical appearance
- Prostheses; and
- Treatment for physical complications during all stages of mastectomy, including lymphedemas

In addition, the plan may not:

- Interfere with a participant's rights under the plan to avoid these requirements; or
- Offer inducements to the healthcare provider, or assess penalties against the provider, in an attempt to interfere with the requirements of the law

However, the plan may apply deductibles, coinsurance, and copays consistent with other coverage provided by the Plan.

Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. For Plans sponsored by Consolidated Communications more detailed information can be found at: <https://c2mb.ajg.com/ccilb/home/>. Disclaimer

This 2024 Benefits Summary highlights recent plan design changes and is intended to fully comply with the requirements under the Employee Retirement Income Security Act (ERISA) as a Summary Material Modification (SMM) and should be kept with your most recent Summary Plan Description (SPD). This document does not guarantee any benefits.

Essential Health Benefit (EHB) Certification 2023 - 2024

The Line Construction Benefit Fund (LINECO) is a multi-employer welfare fund that began in 1963 to provide medical and related benefits such as dental, vision, weekly income, and life insurance to the outside construction members of the IBEW and NECA participating employers.

LINECO is an ERISA Welfare Fund and is exempt from state statute. LINECO has pro-actively addressed the various regulations that make up the Federal Affordable Care Act (ACA) since its inception in March 2010. The Fund has complied with the mandates of the law, including but not limited to:

- Coverage for dependents to age 26
- Eliminated lifetime or annual dollar limits on essential health benefits
- Expanded wellness care for women
- No pre-existing condition limitations
- Mandatory coverage of certain preventive services
- Additional external appeals procedures
- Distribution of Summary of Benefits Coverage (SBC's)
- Distribution of Notice of Health Insurance Marketplaces
- Adoption of an HRA Opt-Out Provision
- Distribution of the IRS Form 1095-B to eligible participants
- Compliance with the No Surprises Act (NSA)

Additional state specific regulations may become effective in the future that may not take into account the unique features of multi-employer ERISA plan(s).

LINECO continues to work closely with its professional partners to interpret and comply with all additional Federal ACA requirements that pertain to the Fund as required under the regulations. LINECO's auditors and actuary's have confirmed the Fund provides benefits that are in compliance with the minimum essential coverage standard requirements and our benefits exceeds the 60% actuarial value requirement.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice is effective as of September 15, 2022, and shall remain in effect until you are notified of any changes, modifications or amendments. This Notice applies to health information the following plans (collectively referred to herein as the "Plan") create or receive about you:

Consolidated Communications, Inc. Health Benefits Plan

Consolidated Communications, Inc. Employee Assistance Program

Consolidated Communications, Inc. Flexible Employee Benefits Plan

Consolidated Communications, Inc. Texas Bargaining Health Benefits Plan

Consolidated Communications, Inc. Retiree Health Benefits Plan

Consolidated Communications, Inc. Texas Bargaining Retiree Health Benefits Plan

Consolidated Communications, Inc. Medical Premium Reimbursement Program for Eligible Union Retirees

Consolidated Communications, Inc. Retiree Health Reimbursement Arrangement

You may receive notices about your medical information and how it is handled by other plans or insurers. The Health Insurance Portability and Accountability Act of 1996, as amended ("HIPAA"), mandated the issuance of regulations to protect the privacy of individually identifiable health information, which were issued at 45 CFR Parts 160 through 164 (the "Privacy Regulations"). Since their initial publication, the Privacy Regulations were amended by the Genetic Information Nondiscrimination Act of 2008 ("GINA") and the Health Information Technology for Economic and Clinical Health Act ("HITECH") under the American Recovery and Reinvestment Act of 2009 ("ARRA"), and by modifications to the HIPAA Privacy, Security, Enforcement, and Breach Notification Rules, as published in the Federal Register on January 25, 2013. As a participant or beneficiary of the Plan, you are entitled to receive a notice of the Plan's privacy procedures with respect to your health information, including "genetic information" (as defined in Section 105 of GINA), that is created or received by the Plan (your "Protected Health Information" or "PHI"). This Notice is intended to inform you about how the Plan will use or disclose your PHI, your privacy rights with respect to the PHI, the Plan's duties with respect to your PHI, your right to file a complaint with the Plan or with the Secretary of the U.S. Department of Health and Human Services ("HHS") and the office to contact for further information about the Plan's privacy practices.

How the Plan Will Use or Disclose Your PHI

Other than the uses or disclosures discussed below, any use or disclosure of your PHI will be made only with your written authorization. Any authorization by you must be in writing. You will receive a copy of any authorization you sign. You may revoke your authorization in writing, except your revocation cannot be effective to the extent the Plan has taken any action relying on your authorization for disclosure. Your authorization may not be revoked if your authorization was obtained as a condition for obtaining insurance coverage and any law provides the insurer with the right to contest a claim under the policy or the policy itself provides such right.

When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations. Effective for uses and disclosures on or after February 17, 2010 until the date the Secretary of HHS issues guidance on what constitutes the "minimum necessary" for purposes of the privacy requirements, the Plan shall limit the use, disclosure or request of PHI (1) to the extent practicable, to the limited data set or (2) if needed by such entity, to the minimum necessary to accomplish the intended purpose of such use, disclosure or request. The minimum necessary standard will not apply in the following situations:

disclosures to or requests by a health care provider for treatment;

uses or disclosures made to the individual;

disclosures made to HHS;

uses or disclosures that are required by law;

uses or disclosures that are required for the Plan's compliance with legal regulations; and

uses and disclosures made pursuant to a valid authorization.

The following uses and disclosures of your PHI may be made by the Plan:

For Payment. Your PHI may be used or disclosed to obtain payment, including disclosures for coordination of benefits paid with other plans and medical payment coverages, disclosures for subrogation in order for the Plan to pursue recovery of benefits paid from parties who caused or contributed to the injury or illness, disclosures to determine if the claim for benefits are covered under the Plan, are medically necessary, experimental or investigational, and disclosures to obtain reimbursement under insurance, reinsurance, stop loss or excessive loss policies providing reimbursement for the benefits paid under the Plan on your behalf. Your PHI may be disclosed to other health plans maintained by the Plan sponsor for any of the purposes described above. Uses and disclosures of PHI for payment purposes are limited by the minimum necessary standard.

For Treatment. Your PHI may be used or disclosed by the Plan for purposes of treating you. One example would be if your doctor requests information on what other drugs you are currently receiving during the course of treating you.

For the Plan's Operations. Your PHI may be used as part of the Plan's health care operations. Health care operations include quality assurance, underwriting and premium rating to obtain renewal coverage, and other activities that are related to creating, renewing, or replacing the contract of health insurance or health benefits or securing or placing a contract for reinsurance of risk, including stop loss insurance, reviewing the competence and qualification of health care providers and conducting cost management and quality improvement activities, and customer service and resolution of internal grievances. The Plan is prohibited from using or disclosing your PHI that is genetic information for underwriting purposes. Uses and disclosures of PHI for health care operations are limited by the minimum necessary standard.

The following use and disclosure of your PHI may only be made by the Plan with your written authorization or by providing you with an opportunity to agree or object to the disclosure:

To Individuals Involved in Your Care. The Plan is permitted to disclose your PHI to your family members, other relatives and your close personal friends involved in your health care or the payment for your health care if:

- the PHI is directly relevant to the family or friend's involvement with your care or payment for that care;
- you have either agreed to the disclosure or have been given an opportunity to object and have not objected; and
- the PHI is needed for notification purposes, or, if you are deceased, the PHI is relevant to such person's involvement, unless you have previously expressed to the Plan your preference that such information not be disclosed after your death.

The following uses and disclosures of your PHI may be made by the Plan without your authorization or without providing you with an opportunity to agree or object to the disclosure:

For Appointment Reminders. Your PHI may be used so that the Plan, or one of its contracted service providers, may contact you to provide appointment reminders, refill reminders, information on treatment alternatives, or other health related benefits and services that may be of interest to you, such as case management, disease management, wellness programs, or employee assistance programs.

To the Plan Sponsor. PHI may be provided to the sponsor of the Plan provided that the sponsor has certified that this PHI will not be used for any other benefits, employee benefit plans or employment-related activities.

When Required by Law. The Plan may also be required to use or disclose your PHI as required by law. For example, the law may require reporting of certain types of wounds or a disclosure to comply with a court order, a warrant, a subpoena, a summons, or a grand jury subpoena received by the Plan.

For Workers' Compensation. The Plan may disclose your PHI as authorized by and to the extent necessary to comply with laws relating to workers' compensation or other similar programs, established by law, that provide benefits for work-related injuries or illnesses without regard to fault.

For Public Health Activities. When permitted for purposes of public health activities, including when necessary to report product defects, to permit product recalls and to conduct post-marketing surveillance. Your PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized or required by law.

To Report Abuse, Neglect or Domestic Violence. When authorized or required by law to report information about abuse, neglect or domestic violence to public authorities if there exists a reasonable belief that you may be a victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, the Plan is not required to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives, although there may be circumstances under federal or state law when the parents or other representatives may not be given access to a minor's PHI.

For School Records. The Plan may disclose immunization records for a student or prospective student to the school to comply with a state or other law requiring the student to provide proof of immunization prior to admitting the student to school.

For Public Health Oversight Activities. The Plan may disclose your PHI to a public health oversight agency for oversight activities authorized or required by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).

For Judicial or Administrative Proceedings. The Plan may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or any raised were resolved in favor of disclosure by the court or tribunal.

For Other Law Enforcement Purposes. The Plan may disclose your PHI for other law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Disclosures for law enforcement purposes include disclosing information about an individual who is or is suspected to be a victim of a crime, but only if the individual agrees to the disclosure, or the Plan is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement, and disclosure is in the best interest of the individual as determined by the exercise of the Plan's best judgment.

To a Coroner or Medical Examiner. When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized or required by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.

For Research. The Plan may use or disclose PHI for research, subject to certain conditions.

To Prevent or Lessen a Serious and Imminent Threat. When consistent with applicable law and standards of ethical conduct, if the Plan, in good faith, believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

State Privacy Laws. Some of the uses or disclosures described in this Notice may be prohibited or materially limited by other applicable state laws to the extent such laws are more stringent than the Privacy Regulations. The Plan shall comply with any applicable state laws that are more stringent when using or disclosing your PHI for any purposes described by this Notice.

Your Privacy Rights With Respect to PHI

Right to Request Restrictions on PHI Uses and Disclosures

You may request the Plan to restrict uses and disclosures of your PHI to carry out treatment, payment or health care operations, or to restrict uses and disclosures to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. The Plan is required to comply with your request only if (1) the disclosure is to a health care plan for purposes of carrying out payment or health care operations, and (2) the PHI pertains solely to a health care item or service for which the health care provider involved has already been paid in full. Otherwise, the Plan is not required to agree to your request. The Plan will accommodate reasonable requests to receive communications of PHI by alternative means or at alternative locations. You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI.

Right to Inspect and Copy PHI

You have a right to inspect and obtain a copy of your PHI contained in a “designated record set,” for as long as the Plan maintains the PHI, other than psychotherapy notes and any information compiled in reasonable anticipation of or for the use of civil, criminal, or administrative actions or proceedings or PHI that is maintained by a covered entity that is a clinical laboratory. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. Psychotherapy notes do not include summary information about your mental health treatment. To the extent that the Plan uses or maintains an electronic health record, you have a right to obtain a copy of your PHI from the Plan in an electronic format. In addition, you may direct the Plan to transmit a copy of your PHI in such electronic format directly to an entity or person.

A “designated record set” includes the medical records and billing records about individuals maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for the Plan; or other information used in whole or in part by or for the Plan to make decisions about individuals. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

You or your personal representative will be required to complete a form to request access to the PHI in your designated record set. If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a statement of your review rights, a description of how you may exercise those review rights and a description of how you may complain to HHS.

Right to Amend

You have the right to request the Plan to amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set. If the request is denied in whole or part, the Plan must provide you with a written denial that explains the basis for the denial. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI.

You or your personal representative will be required to complete a form to request amendment of the PHI in your designated record set. You must make requests for amendments in writing and provide a reason to support your requested amendment.

Right to Receive an Accounting of PHI Disclosures

At your request, the Plan will also provide you with an accounting of disclosures by the Plan of your PHI during the six years prior to the date of your request. However, such accounting need not include PHI disclosures made: (1) to carry out treatment, payment or health care operations; (2) to individuals about their own PHI; (3) pursuant to a valid authorization; (4) incident to a use or disclosure otherwise permitted or required under the Privacy Regulations; (5) to persons involved in your care; (6) for national security or intelligence purposes; (7) to correctional institutions or law enforcement officials; (8) as part of a limited data set; or (9) prior to the date the Privacy Regulations were effective for the Plan on either April 14, 2003 or 2004 depending on the size of the Plan. If you request more than one accounting within a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting. Notwithstanding the foregoing, if your Plan maintained electronic health records as of January 1, 2009, you can request an accounting of all disclosures of your electronic health records made by the Plan during the three years prior to the date of your request (but on and after January 1, 2014).

Right to Receive Confidential Communications

You have the right to request to receive confidential communications of your PHI. This may be provided to you by alternative means or at alternative locations if you clearly state that the disclosure of all or part of the information could endanger you.

Right to Receive a Paper Copy of This Notice Upon Request

To obtain a paper copy of this Notice, contact the Privacy Official at the address and telephone number set forth in the Contact Information section below.

A Note About Personal Representatives

You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his or her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- a power of attorney for health care purposes, notarized by a notary public;
- a court order of appointment of the person as the conservator or guardian of the individual; or
- an individual who is the parent of a minor child.

The Plan retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.

The Plan's Duties With Respect to Your PHI

- The Plan has the following duties with respect to your PHI:
- The Plan is required by law to maintain the privacy of PHI and provide individuals with notice of its legal duties and privacy practices with respect to the PHI.
- The Plan is required to abide by the terms of the notice that are currently in effect.
- The Plan reserves the right to make amendments or changes to any and all of its privacy policies and practices described in this Notice and to apply such changes to all PHI the Plan maintains. Any PHI that the Plan previously received or created will be subject to such revised policies and practices and the Plan may make the changes applicable to all PHI it receives or maintains. In the event of any material change to the uses or disclosures, the individual's rights, the duties of the Plan or other privacy practices stated in this Notice, the Plan will post the change or the revised Notice on its customer service and benefits web site by the effective date of the material change to the Notice, and a copy of the revised Notice, or, alternatively, information about the change to the Notice and the means to obtain the revised Notice, will be provided to you in the Plan's next annual benefits (or similar) mailing.
- The Plan is required to notify you of any "breach" (as defined in 45 CFR 164.402 of the Privacy Regulations) of your unsecured PHI.

Your Right to File a Complaint

You have the right to file a complaint with the Plan or HHS if you believe that your privacy rights have been violated. You may file a complaint with the Plan by filing a written notice with the Complaint Official, describing when you believe the violation occurred, and what you believe the violation was. You will not be retaliated against for filing a complaint.

ESSENTIAL HEALTH BENEFIT (EHB) CERTIFICATION 2022 - 2023

The Line Construction Benefit Fund (LINECO) is a multi-employer welfare fund that began in 1963 to provide medical and related benefits such as dental, vision, weekly income, and life insurance to the outside construction members of the IBEW and NECA participating employers.

LINECO is an ERISA Welfare Fund and is exempt from state statute. LINECO has pro-actively addressed the various regulations that make up the Federal Affordable Care Act (ACA) since its inception in March 2010. The

Fund has complied with the mandates of the law, including but not limited to:

- Coverage for dependents to age 26
- Eliminated lifetime or annual dollar limits on essential health benefits
- Expanded wellness care for women
- No pre-existing condition limitations
- Mandatory coverage of certain preventive services
- Additional external appeals procedures
- Distribution of Summary of Benefits Coverage (SBC's)
- Distribution of Notice of Health Insurance Marketplaces
- Adoption of an HRA Opt-Out Provision
- Compliance with the No Surprises Act (NSA)
- Distribution of the IRS Form 1095-B to eligible participants

Additional state specific regulations may become effective in the future that may not take into account the unique features of multi-employer ERISA plan(s).

LINECO continues to work closely with its professional partners to interpret and comply with all additional Federal ACA requirements that pertain to the Fund as required under the regulations. LINECO's auditors and actuary's have confirmed the Fund provides benefits that are in compliance with the minimum essential coverage standard requirements and our benefits exceeds the 60% actuarial value requirement.

Your Employee Rights Under the Family and Medical Leave Act

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with job protected leave for qualifying family and medical reasons. The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees.

Eligible employees can take up to 12 workweeks of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military service member.

An eligible employee who is the spouse, child, parent or next of kin of a covered service member with a serious injury or illness may take up to 26 work weeks of FMLA leave in a single 12-month period to care for the service member.

You have the right to use FMLA leave in one block of time. When it is medically necessary or otherwise permitted, you may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working less hours each day or week. Read Fact Sheet #28M© for more information.

FMLA leave is not paid leave but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an eligible employee if all of the following apply:

- Your work for a covered employer
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before our leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a covered employer if one of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management.

How do I request FMLA leave?

Generally, to request FMLA leave you must:

- Follow your employer's normal policies for requesting leaving,

- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitation in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management Congress.

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-projected time off work for a qualifying reason,
- Continue our group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-projected leave.
