

HEALTHCARE NOW AT YOUR FINGERTIPS

Welcome to Teladoc®. As a new Teladoc member, you now have access to our national network of U.S. board-certified physicians, licensed in the state you call from.

With an average of over 20 years of clinical experience, our doctors can diagnose, treat and prescribe medication for your non-emergency conditions. This includes treatments for the flu, strep throat, eye infections, bronchitis, UTIs, and much more.

Whenever you need our care, we are available within minutes, by phone or video. We look forward to serving you.

A few reasons why our 17.1 million members trust us.

10 min
median response time

24/7
anytime, everywhere

92%
of patient issues resolved
after first visit

95%
member satisfaction

Have you filled out **your medical history yet?**

Why a confidential medical history is important

Before you speak with a Teladoc doctor, they'll want to know about any past or current illnesses, as well as current medications and family history.

Teladoc is HIPAA compliant and all information is confidential. Your company cannot view your medical history. With your consent, Teladoc will share details of your visit with your primary care doctor.

Once you've completed your medical history, you'll be ready to talk to a doctor for free
