

We know this has been an uncertain and stressful time for everyone. To help out in any way we can, we're offering a limited time offer for **free, one-year CarePass® program membership to your client's employees**. This can help them stretch their dollars on necessary items and keep them healthy.

The CarePass program brings the best of CVS Pharmacy® to people, helping them save time and money. We normally offer it through a paid monthly membership. But as a special promotion, we're giving it at no cost for one year. And this is in addition to the ExtraCare® rewards program, which offers rewards on many items.

CarePass members can enjoy these great offerings both in store and online

- Free prescription delivery* and free shipping on eligible items*
- 24/7 Pharmacist Helpline*
- 20% off CVS Health® brands every day*

In addition, as a special thank you, CarePass members will receive a \$10 ExtraBucks promo reward every month.*

We appreciate your support

Soon, we'll be reaching out to your clients to obtain their employees' email addresses. Then we'll send employees a unique program activation code. If you have questions or want to learn more, just call me.
