ELIGIBILITY AND EFFECTIVE DATE PROVISIONS

Who is eligible for this insurance?

The eligibility for this insurance is as indicated in the Schedule of Benefits.

The eligibility Waiting Period is set forth in the Schedule of Benefits.

00001

When does Your Noncontributory insurance become effective?

Noncontributory means the *Policyholder* pays 100% of the premium for this insurance.

Current *Employee*s
If *You* are an eligible *Employee* on the Policy effective date, *Your Noncontributory* coverage under the Policy will become effective on the date indicated in the Schedule of Benefits, provided You are *Actively at Work* on that day.

New *Employee*s
If *You* become an eligible *Employee* after the Policy effective date, *Your Noncontributory* coverage under the Policy will become effective on the date indicated in the Schedule of Benefits, provided You are *Actively at Work* on that day.

If *You* waive all or a portion of *Your Noncontributory* coverage and choose to enroll at a later date, *You* are considered a late applicant and must furnish *Evidence of Insurability* satisfactory to *Us* before coverage can become effective. Coverage will become effective on the date *We* determine that the *Evidence of Insurability* is satisfactory and *We* provide written notice of approval.

You must be *Actively at Work* for coverage under the Policy to become effective.

00003

Evidence* of *Insurability means a statement of *Your* medical history which *We* will use to determine if *You* are approved for coverage. *Evidence of Insurability* will be provided at *Your* expense.

00006

If You are not Actively at Work, when does coverage become effective?

If *You* are absent from *Active Work* on the date *Your* coverage would otherwise become effective; and *Your* absence is caused by an *Injury*, illness or layoff,

Your effective date for any initial coverage or increased coverage will be deferred until the first day *You* return to *Active Work.*

However, *You* will be considered *Actively at Work* on any day that is not *Your* regularly scheduled work day (including but not limited to a weekend, vacation or holiday) if *You* were *Actively at Work* on the immediately preceding scheduled work day and *You* were:

1. not *Hospital Confined*; or;
2. disabled due to an *Injury* or *Sickness*.

00008

What happens if We are replacing an existing Policy?

If *You* were insured under the *Prior Policy* on the day before the Policy Effective Date, *You* may be covered by the Policy even if *You* do not satisfy the *Actively at Work* requirement as stated in the *When*

does insurance become effective? provisions. Subject to the payment of premiums when due, We agree to waive the *Actively at Work* requirement if *You*:

1. were covered on the day immediately preceding the Policy Effective Date; and
2. *You* are on lay-off, non-medical leave of absence, or sabbatical leave; and
3. *You* are covered under an extension of benefits under the *Prior Policy*.

Coverage will continue until the first to occur of:

1. the balance of the extension of benefits under the *Prior Policy*; and
2. 12 months; and
3. the Policy terminates.

Prior Policy means the group term life insurance policy issued to the *Policyholder* by American United Life Insurance Company whose coverage terminated immediately prior to the Policy Effective Date

00009-A

Changes to Your coverage

A change in *Your* coverage may occur if:

1. There is a Policy change; or
2. *You* enter another class and become eligible for a change in benefits; or

If *You* are eligible for additional coverage due to a Policy change, the additional coverage will be effective on the date the Policy change is effective, as requested by the *Policyholder* and agreed upon by *Us*.

Additional coverage for reasons other than a Policy change will be effective as indicated in the ***"When Does Your Non-Contributory insurance become effective?"*** section, or the later of:

1. The date *You* enroll for the additional coverage; or
2. The date *You* become eligible for the additional coverage, if enrollment is not required; or
3. The date *We* approve *Your* coverage if *Evidence of Insurability* is required.

In order for *Your* additional coverage to begin, *You* must be *Actively at Work*.

00010

Eligibility after You Terminate Employment

If *Your* coverage ends due to termination of employment and You do not elect continued coverage under the Portability Benefit provision, *You* must meet all the requirements of a new *Employee* if *You* are rehired at a later date.

Exception: If *Your* coverage ends due to termination of employment and *You* return to *Active Work* in an eligible class within 30 days, we will not:

1. apply a new *Eligibility Waiting Period*; or
2. require *Evidence of Insurability*.

If *You* converted all or part of *Your* group life insurance when employment terminated, the individual policy must be surrendered upon return to *Active Work.*

00011

TERM LIFE INSURANCE BENEFIT

When is a Life Insurance Benefit payable?

We will pay *Your* beneficiary the amount of life insurance in force as of the date of *Your* death provided:

1. *You* are insured under the Policy on the date of death, and
2. *We* receive proof of death.

When term life insurance coverage becomes a claim by the death of an insured, settlement shall be made upon receipt of due proof of death, or not later than two months after receipt of such proof. *We* will determine the amount of insurance payable based upon the Schedule of Benefits.

00012 OH

Who will receive Your Life Insurance Benefits?

Your beneficiary designation must be made on a form which *We* provide or on a form accepted by *Us.* If two or more beneficiaries are named, payment of proceeds will be apportioned equally unless *You* had specified otherwise. The *Policyholder* may not be named as beneficiary. Unless *You* provide otherwise, if a beneficiary dies before *You*, *We* will divide that beneficiary's share equally between any remaining named beneficiaries.

If a beneficiary is a minor, or is not able to give a valid release for any payment of benefits made, *We* will not make payment until a claim is made by the person or entity which, by court order, has been granted control of the estate of such beneficiary. This provision does not prevent *Us* from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law.

Facility of Payment

If no named beneficiary survives *You* or if *You* do not name a beneficiary, We will pay the amount of insurance:

1. to *Your spouse*, if living; if not,
2. in equal shares to *Your* then living natural or legally adopted children, if any; if none,
3. in equal shares to *Your* father and mother, if living; if not,
4. in equal shares to *Your* brothers and/or sisters, if living; if not,
5. to *Your* estate.

If any benefits under this provision are to be paid to *Your* estate, *We* may pay an amount not greater than $1,000 to any person *We* consider equitably entitled by reason of having incurred funeral or other expenses incident to *Your* death. Any and all payments made by *Us* shall fully discharge *Us* in the amount of such payment.

00014

May You change Your beneficiary?

You may change *Your* beneficiary at any time by completing a form provided or accepted by *Us*, and sending it to the *Policyholder*. *Your* written request for change of beneficiary will not be effective until it is recorded by the *Policyholder*. After it has been so recorded, it will take effect on the later of the date *You* signed the change request form or the date *You* specifically requested. If *You* die before the change has been recorded, *We* will not alter any payment that *We* have already made. Any prior payment shall fully discharge *Us* from further liability in that amount.

If *You* are approved for continued life coverage under the Waiver of Premium or Portability provision, *You* may be asked to name a beneficiary. A beneficiary designation made in connection with Waiver of Premium or Portability, if different from the designation on *Your* enrollment form, shall constitute a change of beneficiary under the Policy. Such change of beneficiary only applies while *You* qualify for continued coverage under the Waiver of Premium or Portability provision.

If continuation of life insurance under the Waiver of Premium or Portability provision ceases, and *You* are employed by the *Policyholder*, *You* must make a new beneficiary designation. If *You* do not name a new beneficiary, *We* will pay death benefits in accordance with the Facility of Payment provision.

00015

CONVERSION OF LIFE INSURANCE

How much Life Insurance may You convert if eligibility terminates?

You may convert to an individual policy of life insurance if *Your* life insurance, or a portion of it, ceases because:

1. *You* are no longer employed by the *Policyholder*; or
2. *You* are no longer in a class which is eligible for life insurance.

In either of these situations, *You* may convert all or any portion of *Your* life insurance which was in force on the date *Your* life insurance ceased.

How much Life Insurance may You convert if the policy terminates or is amended?

You may also convert to an individual policy of life insurance if *Your* life insurance ceases because:

1. life insurance benefits under the Policy cease; or
2. the Policy is amended making *You* ineligible for life insurance; however, in either of these situations,

You must have been insured under the Policy, or the Policy it replaced, for at least five (5) years. The amount of insurance converted in either of these situations will be the lesser of:

1. the amount of life insurance in force, less any amount for which *You* become eligible under this or any other group policy within 31 days after the date *Your* life insurance ceased; or
2. $10,000.

How to apply for conversion

We must receive written application and the first premium for the individual life insurance policy within 31 days after life insurance under the Policy ceased. No *Evidence of Insurability* will be required.

The individual policy will be a policy of whole life insurance. It will not contain waiver of premium, accelerated death benefit, disability benefits, accidental death and dismemberment benefits or any other ancillary benefits.

The minimum issue amount of an individual conversion policy is $2,000. The premium for the individual policy will be based on:

1. *Our* current rates based upon *Your* attained age; and
2. the amount of the individual policy.

If application is made for an individual policy, the coverage under the individual policy will be effective on the day following the 31-day period during which *You* could apply for conversion.

If *You* die during a period when *You* would have been entitled to have an individual policy issued to *You* and if *You* die before such an individual policy became effective, *We* will pay *Your* beneficiary the greatest amount of group term life insurance for which an individual policy could have been issued, provided:

1. *Your* death occurred during the 31-day period within which *You* could have made application; and
2. *We* receive proof of death.

If life insurance benefits are paid under the Policy, payment will not be made under the converted policy, and premiums paid for the converted policy will be refunded.

If *You* have elected Portability, conversion is not available for amounts continued under Portability unless coverage under Portability terminates. Conversion from Portability will be as specified under Portability.

Notice. If the *Policyholder* fails to notify *You* at least 15 days prior to the date insurance under the Policy would cease, *You* shall have an additional period within which to elect conversion coverage; but nothing herein shall be construed to continue any insurance beyond the period provided for in the Policy. The additional election period shall expire 15 days immediately after the *Policyholder* gives *You* notice, but in no event shall it extend beyond 60 days immediately after the expiration of the 31-day period explained above.

00016 OH

WAIVER OF PREMIUM

What is the Waiver of Premium benefit?

We will continue *Your* Basic life insurance benefit under the Policy without further payment of life insurance premium if *You* become *Totally Disabled*, provided:

1. *You* are insured under the Policy and were *Actively at Work* on or after the effective date of the Policy; and
2. *You* are under the age of 60; and
3. *You* provide *Us* with satisfactory written proof within 6 months after the date *You* became *Totally Disabled*; and
4. *Your Total Disability* has continued without interruption for at least 6 months; and
5. *You* are still *Totally Disabled* when *You* submit the proof of disability; and
6. all required premium has been paid.

Total Disability or ***Totally Disabled*** means *You* are diagnosed by a *Doctor* to be completely unable because of *Sickness* or *Injury* to engage in any occupation for wage or profit or any occupation for which *You* become qualified by education, training or experience.

We will waive premium beginning the month after *We* receive satisfactory proof that *You* have been *Totally Disabled* for at least 6 months. Premium will continue to be waived provided *You*:

1. remain *Totally Disabled*; and
2. provide satisfactory written proof of continuing *Total Disability* upon request.

You are responsible for obtaining initial and continuing proof of *Total Disability*.

You will be covered for the amount of life insurance in force as of the date *Total Disability* commenced. The amount of life insurance continued in force will be subject to any reduction in benefits as shown on the Schedule of Benefits or which are the result of an amendment to the Policy, but in no event will the insurance amount increase while *Your* life insurance is continued under Waiver of Premium. This life insurance coverage will continue without the payment of premium until *You* are no longer *Totally Disabled, or* attain the Maximum Waiver of Premium Duration as set forth in the Schedule of Benefits or retire, whichever occurs first.

We may have *You* examined at reasonable intervals during the period of claimed *Total Disability*. Continuation of life insurance under the Waiver of Premium provision shall end immediately and without notice if *You* refuse to be examined as and when required.

If *You* are approved for continued coverage under the Waiver of Premium provision, *You* will be asked to name a beneficiary. That beneficiary designation:

1. will only apply while *Your* coverage continues under this Waiver of Premium provision; and
2. if different from the designation on *Your* enrollment form, shall constitute a change of beneficiary under the Policy.

We will pay the amount of life insurance in force to *Your* beneficiary if *You* die before furnishing satisfactory proof of *Total Disability*, if:

1. *You* die within one year from the date *You* became *Totally Disabled*; and
2. *We* receive proof that *You* were continuously *Totally Disabled* until the date of death; and
3. *We* receive proof of death.

If continuation of life insurance under the Waiver of Premium provision ceases while the Policy is still in force, and *You* are employed by the *Policyholder*, *Your* life insurance will continue provided premium payments begin on the next premium due date. If *You* return to work with the *Policyholder*, *You* must make a new beneficiary designation. If *You* do not name a new beneficiary, *We* will pay death benefits in accordance with the Facility of Payment provision.

If continuation of life insurance under the Waiver of Premium provision ceases, and *You* are no longer employed by the *Policyholder*, *You* may apply for an individual life insurance policy in accordance with the Conversion of Life Insurance provision of this Certificate.

How does termination of the Policy affect Your insurance under the Waiver of Premium Benefit?
Termination of the Policy will not affect any insurance that has been continued under this Provision prior to the termination date.

What if You are Totally Disabled and the Policy ends before You satisfy the Elimination Period?
Your coverage under the *Policy* will end if the *Policy* ends before *You* satisfy the *Elimination Period*. However, when the *Policy* ends *You* may be entitled to convert *Your* coverage to an individual plan of life insurance as described in the Conversion of Life Insurance provision.

You may still submit a claim for Waiver of Premium Benefits after the *Policy* ends. However, *You* must be *Totally Disabled,* pay the Conversion premium for the full length of the Elimination Period and qualify for the Waiver of Premium Benefits.

At no time can *You* be covered under both the individual conversion policy and this *Policy*.

Upon receipt of timely notice and due proof of *Your Total Disability We* will evaluate *Your* claim. If *We* determine that *You* qualify and *You* pay all applicable premiums, *We* will approve Your Waiver of

Premium claim under the *Policy* and agree to rescind any individual policy of life insurance issued to *You* under the Conversion privilege. *We* will refund any premiums paid for such coverage. Insurance under the *Policy* will not go into effect until *We* approve your claim in writing.

00017 OH

ACCELERATED DEATH BENEFIT

The benefit paid under this provision may be taxable. If so, *You* or *Your* beneficiary may incur a tax obligation. As with all tax matters, *You* or *Your* beneficiary should consult a personal tax advisor to assess the impact of the benefit. Receipt of this benefit may adversely affect *Your* eligibility for Medicaid or other governmental benefits or entitlements.

What is the Accelerated Death Benefit?

The *Accelerated Death Benefit* is a percentage of *Your* group Basic term life insurance which is payable to *You* prior to *Your* death if *We* receive *Proof* that *You* have a *Terminal Condition*. The *Accelerated Death Benefit* is limited to the maximum and minimum amounts shown on the Schedule of Benefits, and is payable only once to any one *Insured*.

The *Accelerated Death Benefit* is calculated on the group Basic term life insurance benefit amount in force under the Policy on the date *You* are diagnosed with a *Terminal Condition*. If *Your* group term life insurance will reduce, due to age, within 12 months after the date *We* receive *Proof*, the *Accelerated Death Benefit* will be calculated on the reduced group Basic term life insurance benefit.

Who is Eligible for an Accelerated Death Benefit?

This benefit only applies to *Insureds* with at least the Minimum Covered Life Insurance Benefit amounts set forth in the Schedule of Benefits. *You* must have been *Actively at Work* on or after the effective date of the Policy to be eligible for an *Accelerated Death Benefit*.

This benefit does not apply to Accidental Death and Dismemberment benefits.

Terminal Condition means *You* have been examined and diagnosed by *Your Doctor* as having a medically determined condition which is expected to result in death within 12 months from the date that a claim for benefit under this provision is received by *Us*. *We* have the sole right to determine if such proof is acceptable.

The Accelerated Death Benefit Payment

We will pay the benefit during *Your* lifetime if *You* are diagnosed with a *Terminal Condition* if *You* or *Your* legal representative submits a claim for an *Accelerated Death Benefit* and provides satisfactory *Proof*. The benefit will be paid in one sum to *You*.

Are there any exceptions to the payment of the Accelerated Death Benefit?

The *Accelerated Death Benefit* will not be payable:

1. for any amount of group term life insurance which is less than the Minimum ADB Payment as set forth in the Schedule of Benefits; or
2. if *Your Terminal Condition* is the result of:
    a. attempted suicide, while sane or insane, within two years from the effective date of *Your* coverage; or
    b. intentionally self-inflicted injury, within two years from the effective date of *Your* coverage; or
3. if *Your* group term life insurance benefit has been assigned; or
4. if *Your* group term life insurance benefit is payable to an irrevocable beneficiary, including notification to Us that such benefit or a portion of such benefit is to be paid to a former *spouse* as part of a divorce or separation agreement; or
5. to retirees.

Notice and Proof of Claim

You must elect the *Accelerated Death Benefit* in writing on a form that is acceptable to Us. *You* must furnish *Proof* that *You* have a *Terminal Condition*, including certification by a *Doctor*.

Proof under the Accelerated Death Benefit means evidence satisfactory to Us that *You* have a *Terminal Condition*. *We* reserve the right to determine, at *Our* sole discretion, if Proof is acceptable.

Effect on Insurance

The *Accelerated Death Benefit* is in lieu of the group term life insurance benefit that would have been paid upon *Your* death. When the *Accelerated Death Benefit* is paid:

1. the term life insurance benefit otherwise payable upon *Your* death will be reduced by the amount of the *Accelerated Death Benefit*;
2. the amount of group term life insurance which could otherwise have been converted to an individual contract will be reduced by the amount of the *Accelerated Death Benefit*; and
3. the premium due for group term life insurance will be calculated on the amount of such insurance remaining in force after deducting the *Accelerated Death Benefit*.

00020 OH

PORTABILITY BENEFIT

What is the Portability Benefit?

If *Your* Basic Group Life and AD&D Insurance, or any portion of it, terminates, *You* may elect to continue *Your* Life Insurance in accordance with the terms of the Policy by paying premiums directly to *Us*. The coverages eligible for Portability and the Portability Benefit Duration are set forth in the Schedule of Benefits.

The premiums for the coverage continued under the Portability Benefit will not be the same as the premium *You* are charged for *Your* group Life and AD&D insurance under the Policy. Portability premium will be based on:

1. *Our* current rates for the applicant's age and class of risk at the time he elects Portability; and
2. the amount of insurance continued under Portability.

The maximum amount of Life and AD&D Insurance which may be continued under Portability is the amount of Life and AD&D Insurance in force at the time the Portability Benefit is elected.

A beneficiary designation on the Application for Portability, if different from the designation on *Your* enrollment form, shall constitute a change of beneficiary under the Policy, and that beneficiary designation will only apply while *Your* coverage continues under this Portability Benefit provision.

The Waiver of Premium is not available for any *Insured* whose *Total Disability* begins after coverage under Portability becomes effective. The Accelerated Death Benefit is not available for any *Insured* who is diagnosed with a *Terminal Condition* after coverage under Portability becomes effective.

What are Eligibility Requirements for Employee Portability?

To be eligible for Portability, *You* must meet the following conditions:

1. *You* must have been insured under the Policy for at least one year prior to electing Portability; and
2. *Your* Life and AD&D Insurance, or a portion of it, must have terminated for reasons other than *Sickness, Injury*, or termination of the master Policy; and
3. *You* must be less than 70 years of age; and
4. *You* must be able to perform the *Material and Substantial* duties of any *Gainful Occupation* for which *You* are qualified by education, training or experience; and
5. *You* must not have exercised the right to convert under the Conversion of Life Insurance provision the amount of Life Insurance *You* elect under the Portability Benefit. If *You* elect the Portability benefit, any amounts of Life Insurance which are not ported may be converted in accordance with the terms of the Conversion of Life Insurance provision.

You must submit an application for Portability and the first premium within 31 days after the date *Your* Life and AD&D Insurance terminated.

We reserve the right to rescind any coverage amounts continued under Portability if it can be shown that *You* misrepresented any of the information provided to support eligibility for Portability.

When will Portable Coverage Terminate?

Insurance continued under the Portability Benefit provision of the Policy will terminate at the earliest of the following:

1. the date *You* return to work with the *Policyholder,* in an eligible class while the Policy is still in force; or
2. the date *You* fail to pay the required premiums when due; or
3. the end of the Portability Benefit Duration set forth in the Schedule of Benefits; or
4. the premium due date following the date a Dependent ceases to meet the definition of an *Eligible Dependent*.

If continuation of life or AD&D insurance under the Portability Benefit provision ceases while the Policy is still in force, and *You* are employed by the *Policyholder*, *Your* life insurance will continue provided premium payments begin on the next premium due date. If *You* return to work with the *Policyholder*, *You* must make a new beneficiary designation. If *You* do not name a new beneficiary, we will pay death benefits according to the Facility of Payment provision.

Is Conversion available after coverage under Portability ends?

If coverage under Portability terminates according to (3) or (4) above, *You* may convert to an individual policy of whole life insurance in accordance with the terms of the Conversion provisions of the Policy. No *Evidence of Insurability* will be required. The amount of the conversion policy may not exceed the amount of life insurance which terminated as set forth above.

00022 OH

The Policy, the Policyholder's Application, the *Employee*'s Certificate of coverage, and *Your* application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the *Policyholder* and *Us*. No change in the Policy is valid unless approved in writing by one of *Our* officers. No agent has the right to change the Policy or to waive any of its provisions.

Statements on the Application

1. the Policyholder in applying for the Policy will make it void unless the representation is contained in his signed Application; or
2. any *Employee* in applying for insurance under the Policy will be used to reduce or deny a claim unless a copy of the application for insurance, signed by the *Employee*, is or has been given to the *Employee*.

Legal Actions

1. Use the facts to decide whether *You* have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Incontestability

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

Premium Provisions

Premiums are payable in United States dollars on or before their due dates.
Premium charges for increases in insurance amounts becoming effective during a policy month will begin on the next premium due date. Premium charges for insurance terminating during a policy month will cease at the end of the month in which such insurance terminates. This method of charging premium is

for accounting purposes only. It will not extend any insurance coverage beyond the date it would otherwise have terminated.

Misstatement of Age

If *You* have misstated *Your* age, the true age will be used to determine:

1. the effective date or termination date of insurance; and
2. the amount of insurance; and
3. any other rights or benefits.

Premiums will be adjusted to reflect the premiums that would have been paid if the true age had been known.

Conformity with State Statutes and Regulations

If any provision of the Policy conflicts with the statutes and regulations of the state in which the Policy was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

Assignment

You may assign any incident of ownership *You* may possess of the life insurance benefits provided under the Policy to anyone other than the *Policyholder*. We are not responsible for the validity or legal effect of any assignment. Collateral assignments, by whatever name called, are not permitted.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is **NOT** provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law; from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;

- their policy was issued by a medical, health, or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of $300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall $300,000 limit, the association will not pay more than $100,000 in cash surrender values, $100,000 in health insurance benefits, $100,000 in present value of annuities, or $300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GlCs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under Sections 401, 403(b) or 457 of the Internal Revenue Code, the limit is $100,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
