

MyBenefits Registration

Pre-Registration

Upon navigation to either online.metlife.com/benefits or mybenefits.metlife.com, you'll see the following screen:

Enter the name of your school into the field in the upper-right corner. A drop-down menu of organizations may appear with options to choose from (if more than one match is found).

You'll be taken to a screen that asks you to select whether you would like to login with an existing username or create a new account. The interface may vary.

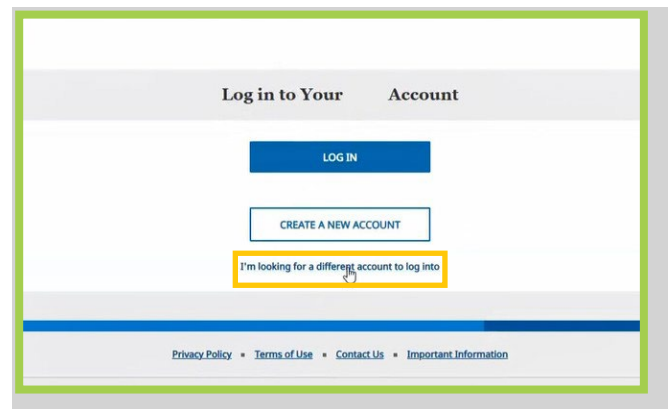

Regardless of the interface, select **“Create a New Account”** or **“Register Now.”**

If you believe you have selected the wrong interface, click on the link that reads **“I'm looking for a different account to log into”**. This link will take you to a webpage where you can register as a common user.

Registration

From here, you'll be taken to Step 1 of the registration process.

1. Enter your first name, last name, email address
2. Select the type of phone number you have (mobile or landline) and then enter your phone number
3. Enter your employee ID or SSN, DOB, zip code, state
4. After entering all of this information, you may be prompted to enter information specific to your school, depending on how your organization has set up its registration process. For example, you may be asked to enter your student ID. Upon entering the information, click **“Next”**.

Registration Continued

If your identifying information does not match publicly available information about your identity, you may be prevented from creating an account.

Next, you'll be asked to verify your identity via a **verification code** on the screen below. Select whether you'd like to receive the code via text message or voice message, and sometimes an email if that information is already available to MetLife.

You'll be taken to the screen below. Retrieve the code, then enter it in the text field. The code will expire after 15 minutes, in which case you will need to generate another code. Click **"Next"**.

1. Your email address will be a suggested username in the first text field. We recommend using this as your username, but you may change it.
2. Enter and confirm your desired password in the next two text fields. Your password must:

- ▶ Not contain special characters other than a hyphen or underscore

3. If you'd like MetLife to remember your device, so that you don't have to verify your identity every time you login to your online account, select the **"Remember this Device"** checkbox.

Your device will be remembered for a maximum of six months.

4. Choose whether you'd like to receive paperless documents by selecting one of the radio buttons at the bottom of the page. You may view the eConsent Policy by clicking on the relevant links.
5. Click **"Submit"**. Upon successful submission, you will receive a congratulatory confirmation message.

Finally, select **"Go To Dashboard"** and you will be taken to your Dashboard. 2

The image displays a sequence of five screenshots from the MetLife registration process, connected by yellow arrows indicating the flow. The first screenshot shows the 'Identity Verification' step, where the user is asked to select how they want to receive a verification code: 'Text message: ***-***-7890', 'Voice message: ***-***-7890', or 'Email: *****@gmail.com'. The second screenshot shows a confirmation message: 'We have found you in our records. A text message with a code has been sent to: (***-***-7890)'. The third screenshot shows the 'Create your Username and Password' screen, where the user is prompted to enter a username (suggested as 'Tomalbot@gmail.com') and a password, with a 'Remember this device (Optional)' checkbox. The fourth screenshot shows a 'Thank you, C S' confirmation message with a 'GO TO DASHBOARD' button. The fifth screenshot shows the 'Welcome to MyBenefits!' dashboard with various navigation links and a 'GO TO DASHBOARD' button.
