

**BRIGHT HORIZONS
CARE ADVANTAGE**

Bright Horizons Care Advantage

This program offers you access to babysitters, mother's helpers, pet sitters, dog walkers, senior companions, tutors and several other types of helpful services.

When you register for membership with Bright Horizons Care Advantage, please go to:
<https://www.sittercity.com/ucpostdocs>

You may search for caregivers using a direct search based on criteria important to you, or post a job and have candidates apply to you.

You have access to profiles and reviews of caregivers.

Checking caregivers' references is made simple.

You may view background checks for the candidates you prefer.

The cost of membership is paid for by the University of California; you simply pay for the cost of services of the caregivers you hire.

Years Ahead

Another program offered by Bright Horizons Care Advantage is “Years Ahead.”

This program offers access to a nationwide network of providers including in-home companions, home health aids, nursing homes and medical personnel.

To learn more about this program, please visit our Documents Library section on the Gallagher Benefits Services Website and click on the “Years Ahead” link.
