# Desktop Instructions

- Create your username, password and set your security questions and answers
- Click “Complete Registration”

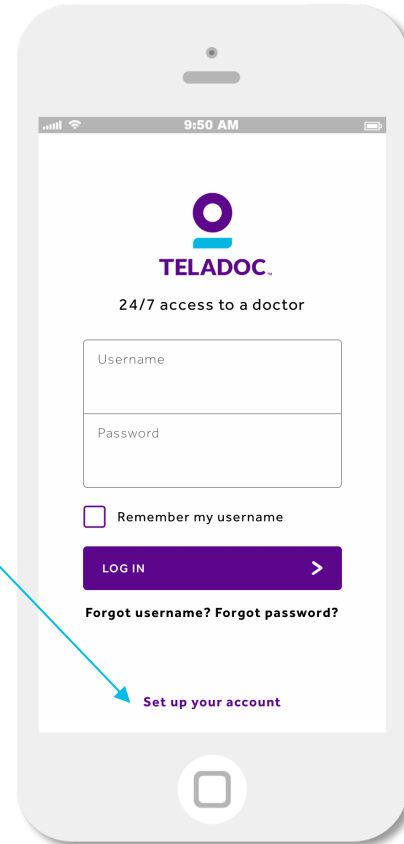

The screenshot displays the Teladoc registration interface. At the top, the Teladoc logo is on the left, and a 'CANCEL REGISTRATION X' button is on the right. A progress bar below the logo shows three steps: 'Confirm Benefits', 'Create Account' (which is the current step and highlighted with a blue bar), and 'Get Care'. The main section is titled 'Create Your Username & Password' and contains three input fields: 'USERNAME', 'PASSWORD', and 'CONFIRM PASSWORD'. Below these fields, a section titled 'Your password must follow the guidelines below' lists four requirements: 10-20 characters long, at least one number and one letter, only numbers, letters, and standard symbols (excluding @ # % ^ & '), and no spaces, 'password', 'Teladoc', or the user's username. At the bottom of the form, there are three rows for security questions, each with a dropdown menu for the question and a text input field for the answer. A large blue 'COMPLETE REGISTRATION' button is positioned at the bottom center of the form.
