

## **ACA – Lifetime Limit Notice**

### **Model Language Notice Lifetime Limit No Longer Applies and Enrollment Opportunity**

Plans and issuers are required to give written notice that the lifetime limit on the dollar value of all benefits no longer applies and that an individual, if covered, is once again eligible for benefits under the plan. Additionally, if the individual is not enrolled in the plan or health insurance coverage, or if an enrolled individual is eligible for but not enrolled in any benefit package under the plan or health insurance coverage, then the plan or issuer must also give such an individual an opportunity to enroll that continues for at least 30 days (including written notice of the opportunity to enroll). The notices and enrollment opportunity must be provided beginning not later than the first day of the first plan year beginning on or after September 23, 2010. For individuals who enroll under this opportunity, coverage must take effect not later than the first day of the first plan year beginning on or after September 23, 2010.

These notices may be provided to an employee on behalf of the employee's dependent. In addition, the notices may be included with other enrollment materials that a plan distributes to employees, provided the statement is prominent. For either notice, if a notice satisfying the requirements is provided to an individual, the obligation to provide the notice with respect to that individual is satisfied for both the plan and the issuer.

The following model language can be used to satisfy the notice requirement:
