

I. Overview

This is a guide to accessing the free credit monitoring log in information provided on Premera.com. Identity protection services are offered at no cost to active Premera members, and their dependents, with a medical plan. Premera provides identity protection for members of self-funded employer groups that opt-in to the program.

II. Steps

1. Log in to your account on Premera.com
2. Click on **My Account** on upper right side of your screen
3. Select **Account Settings** on the drop-down menu

4. Scroll down to the **Free Credit Monitoring Services** and click the **Sign up today** link to start the process. Use the corresponding activation codes to sign up for the following products:
 - a. **IdentityWorks Credit 1-Bureau** – for members 18 or older
 - b. **IdentityWorks Minor Plus** – for members under 18
