

Your ASBAIT DocFind® Online Directory

Banner Health Network

New Enhancements

When you and your family need care, you can look for doctors and hospitals in the Banner Health Network. It's easy when you use the online DocFind directory from Aetna.* With up-to-date listings, you can search for providers by name, specialty, gender, hospital affiliations and more. Remember, most copays, deductibles and out-of-pocket costs are lower when choosing Banner Health providers. That's because your care is coordinated between providers. Banner Health is available to members of ASBAIT schools in Maricopa and Pinal counties.
