Time for a Tune-Up?

A dental check up
is as important as a tune-up for your car.

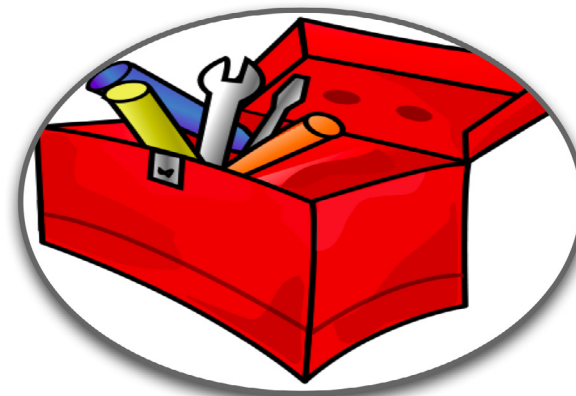

Make sure your teeth and gums
are revved up and healthy.

It's easy to make a dental appointment.

Visit DeltaDentalHi.org
and click on
"Find a Participating Dentist."

It Takes the Right Tools To Do a Good Job

Your teeth and gums
are the tools you need to stay healthy.

Take care of these tools,
and they will take care of you.

Make a dental appointment today.
