## Patient Protections Disclosure

The Roosevelt School District No 66 Health Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, ASBAIT designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the ASBAIT at 866.300.8449 or [www.meritain.com](http://www.meritain.com).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from ASBAIT or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the ASBAIT at 866.300.8449 or [www.meritain.com](http://www.meritain.com).

## Women's Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the following deductibles and coinsurance apply:

Plan 1: Copay Gold Banner Plan (Individual: 0% coinsurance and \$0 deductible; Family: 0% coinsurance and \$0 deductible)

Plan 2: Classic Gold Banner Plan

Tier 1 - (Individual: 15% coinsurance and \$240 deductible; Family: 15% coinsurance and \$720 deductible)

Tier 2 - (Individual: 15% coinsurance and \$240 deductible; Family: 15% coinsurance and \$720 deductible)

Plan 3: HDHP A Banner Plan

Tier 1 - (Individual: 20% coinsurance and \$1,500 deductible; Family: 20% coinsurance and \$3,000 deductible)

Tier 2 - (Individual: 20% coinsurance and \$2,000 deductible; Family: 20% coinsurance and \$4,000 deductible)

If you would like more information on WHCRA benefits, please call your Plan Administrator at 602.243.4822 or [christina.wiltshire@rsd66.org](mailto:christina.wiltshire@rsd66.org).

## Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –**

## HIPAA Notice of Privacy Practices

### Protecting Your Health Information Privacy Rights

Roosevelt School District No 66 is committed to the privacy of your health information. The administrators of the Roosevelt School District No 66 Health Plan (the “Plan”) use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan’s policies protecting your privacy rights and your rights under the law are described in the Plan’s Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Christina Wiltshire - Employee Benefits Specialist at 602.243.4822 or [christina.wiltshire@rsd66.org](mailto:christina.wiltshire@rsd66.org).

## HIPAA Special Enrollment Rights

### Roosevelt School District No 66 Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Roosevelt School District No 66 Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

**Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program).** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

**Loss of Coverage for Medicaid or a State Children’s Health Insurance Program.** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

**New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

**Eligibility for Premium Assistance Under Medicaid or a State Children’s Health Insurance Program –** If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact Christina Wiltshire - Employee Benefits Specialist at 602.243.4822 or [christina.wiltshire@rsd66.org](mailto:christina.wiltshire@rsd66.org).

## Legal Notices

### **Important Warning**

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

## Notice of Creditable Coverage

### Important Notice from Roosevelt School District No 66 About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Roosevelt School District No 66 and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Roosevelt School District No 66 has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from October 15th through December 7th. Beneficiary's leaving employer/union coverage may be eligible for a Special Enrollment Period to sign up for a Medicare prescription drug plan.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

If you do decide to enroll in a Medicare prescription drug plan and drop your group health plan prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

#### When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Roosevelt School District No 66 and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
