

2024 Benefit Guide

All Benefit Eligible Employees

Updated 2023

OPEN
ENROLLMENT
is September 18
through October 13

At the Pleasanton Unified School District (the District), we recognize the important role our employees play in providing quality education in our community. The District provides benefits-eligible employees with a competitive and comprehensive benefits package designed to meet your needs and those of your family.

This guide provides an overview of the District’s benefits program, including a summary of each type of coverage. Because the selection of your benefits is important, we encourage you to carefully review the information in this guide.

If you have any other questions about your benefits, please contact the vendors, or a Benefit Accounts Specialist.

This document is an outline of the coverage provided under your employer’s benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the “plan documents”). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer’s benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.

Open Enrollment

Open Enrollment will be September 18 - October 13, 2023

Effective Date of Enrollment / Benefit Changes: January 1, 2024

Open Enrollment for 2024 will begin on Monday, September 18 and will remain open until Friday, October 13. Open Enrollment is generally your one time of the year to make changes to your benefits. During Open Enrollment you will be able to:

- Confirm your current coverage
- Enroll or make changes to your medical, dental, vision
- Enroll or make changes to your worksite-voluntary plans through American Fidelity
- Contribute to your Health Care and/or Dependent Care Flexible Spending Account (FSA). You must re-enroll to have this benefit January 1, 2024.

Note: You cannot change coverage, start or stop coverage, or add or drop any family members to or from your coverage during the plan year (outside of open enrollment) unless you have a qualifying event. See page 4 for more information.

New for 2024

For full time employees, the dental calendar year maximum is increasing from \$1,600 to \$2,000 for each enrollee if services are provided by a Delta Dental PPO Dentist.

For part time employees, the dental calendar year maximum is increasing from \$1,225 to \$1,625 for each enrollee if services are provided by a Delta Dental PPO Dentist.

Action May Be Required!

When you select coverage under the medical, dental or vision plans, coverage stays in effect for the entire plan year. (January 1 through December 31.)

Action is not required for all benefit-eligible employees.

1. Not Making Changes?

If you are not making any changes and/or not re-enrolling in the Flexible Spending Account (FSA), and wish to continue your current health plans, you don't have to take any action.

2. Making Changes?

If you are making changes or enrolling in the FSA for 2024, you will need to meet with an American Fidelity advisor no later than October 13.

- You can use [this link](#) to schedule your open enrollment appointment link. It is also found within the open enrollment online benefit portal provided by your district's health benefits specialist. During your appointment, your advisor will instruct you on how to make your changes.

Eligibility and Changes

Who Is Eligible?

Most benefits coverage begins on the first of the month following the completion of your employment waiting period. In order to determine your benefits eligibility status (active full-time employee, part-time employee, early retiree, retiree age 65+, leaves of absence, or other bargaining unit arrangements) please see eligibility under each of the benefit offerings.

You may enroll yourself and your eligible dependents for medical, dental and/or vision coverage. Your eligible dependents generally include:

- Your legal spouse or domestic partner.*
- Your children until age 26 for medical, dental and vision coverage.
- Any dependent child who is incapable of self-support because of a physical or mental disability that manifested itself while otherwise eligible.

**You may cover domestic partners of the same or opposite sex and their eligible children under the medical and dental plans. Domestic partners are defined by the state. Please contact the Benefits Specialists for additional eligibility information as well as the applicable forms and cost information.*

District will cover medical for management up to \$857.04 per month. District will cover medical for classified (CSEA) up to \$1,005.11 per month (to be prorated for part-time employees). District will cover medical for certificated (APT) up to \$416.67 per month.

Making Changes to Your Benefit Elections

You may make changes to your insurance benefit choices once a year during the District's annual open enrollment period for changes effective January 1 of each year. All coverage you select is generally effective for a full plan year (January 1 through December 31), unless you have a change in status or terminate employment. Such changes are subject to any bargaining agreements or applicable laws.

Our plan allows certain benefit election changes to occur during the plan year based on the IRS rules regarding permitted changes.

Examples of permitted changes include, but are not limited to:

- Marriage, divorce, legal separation, addition of a domestic partner or termination of a domestic partnership
- Birth, adoption or custody change of a child
- Loss of your or a dependent's coverage under another plan
- Change in employment (either yours or your spouse's) from part-time to full-time or vice versa
- Relocation out of area

If you have a permitted status change, you can make changes to your benefits by contacting the Benefits Specialist within 31 days of the change.

The change to your benefits must be consistent with the change in status. For example, if you have a new baby, you can enroll the child as a dependent under your current health plans, but you may not remove another covered dependent.

Continuation Coverage

In compliance with federal law, the District offers eligible employees and their families the opportunity to elect a temporary extension of health coverage (referred to as COBRA) in certain instances where coverage would otherwise end. The circumstances which permit this special election privilege are called "qualifying events." It is important for you to become familiar with these events so you can exercise your COBRA rights when eligible.

For some qualifying events, it is your (or a family member's) responsibility to inform the Benefits Specialist in writing or by email of these events so your COBRA rights can be initiated. Please refer to your plan descriptions or carrier materials which explain the provisions of COBRA in greater detail. And of course, the Benefits Specialist is always available to answer your questions.

The District also provides coverage in compliance with other federal and state laws, such as the Family Medical Leave Act and conversion privileges (i.e., the ability to convert some benefits to an individual policy when leaving the District).

Eligibility and Changes *(continued)*

Medical Eligibility

All full-time and part-time certificated and management employees who work at least 50% per week are eligible to enroll. All classified employees are eligible to enroll.

The District provides eligible employees with the following medical plans:

- PERS Platinum Preferred Provider Organization (PPO) Plan
- PERS Gold Preferred Provider Organization (PPO) Plan
- Kaiser Permanente Health Maintenance Organization (HMO) Plan
- Anthem Blue Cross Select Health Maintenance Organization (HMO) Plans
- Anthem Blue Cross Traditional Health Maintenance Organization (HMO) Plans
- UnitedHealthcare SignatureValue Alliance
- Blue Shield Access + HMO Plan

All of the District’s medical plan options are designed to provide you with cost effective, comprehensive coverage. While each plan covers most of the same services, the provider networks, payroll deductions and your out-of-pocket medical expenses vary by plan.

The PERS Platinum and PERS Gold* PPO plans allow you to access covered medical services from any provider you wish. You receive the highest level of coverage when you access services from Anthem Blue Cross PPO providers.

*Gold is a narrowed network of doctors and hospitals.

Enrolling in an HMO?

Be sure to select a Primary Care Physician (PCP) during enrollment if you haven’t already done so. If you don’t designate your preferred PCP, the plan will assign one to you. To choose a different PCP, call your plan or go online after you receive your ID card and request that your PCP selection be changed.

The Anthem Blue Cross, Kaiser Permanente, UnitedHealthcare and Blue Shield plans require you to use their providers and facilities (except for emergencies). The tables on the following pages provide a comparison of highlights between the plans. For further details, please refer to the carrier plan descriptions or contact the carrier directly.

HMO vs. PPO Medical Plans

	HMO Health Maintenance Organization	PPO Preferred Provider Organization
Do I need to designate a Primary Care Physician (PCP)?	YES With most HMO plans, all of your healthcare services will be coordinated between you and your designated Primary Care Physician (PCP). Your PCP may be part of a medical group that has contracted with the health plan to perform some functions, including treatment authorization and referrals to specialists.	NO A PPO plan does not require you to select a PCP. You can receive care from any doctor you choose, however you will save more money by choosing a doctor, specialist or hospital that is within the network.
Is a referral needed?	YES As an example, if you have severe allergies and need to see an allergist, you will first schedule a visit with your PCP. Your doctor will then provide you with a referral for an in-network specialist.	NO Generally, PPO plans do not require you to get a referral in order to see a specialist.
If I have a doctor or specialist who is out-of-network, will I still be able to see them and have my care covered?	NO HMOs don't provide coverage for care from an out-of-network physician, hospital or facility except in the case of a true medical emergency.	YES With a PPO, you have the flexibility to visit providers, hospitals and facilities outside of your network. Keep in mind that visiting an out-of-network provider has higher out-of-pocket expenses. Out-of-network providers have not contracted with the health plan; therefore, you will be responsible for paying any applicable member deductibles or copayments, plus any amount in excess of the covered amount.
Will I have to file a claim?	NO Since HMOs only allow you to see providers in-network, it's likely you'll never have to file a claim. This is because your insurance company pays the provider directly.	YES In some cases with a PPO, you will have to pay a doctor for services directly and then file a claim to get reimbursed. This is most common when you seek a service from an out-of-network provider.
How much will it cost?	Lower Cost You can expect to pay less for out-of-pocket medical services. Plans work on a combination of copays and coinsurance to pay for services.	Higher Cost Plans work on a combination of deductibles, copays and coinsurance. Out-of-pocket medical costs can also run higher with a PPO plan, especially if utilizing out-of-network providers.

Dental Benefits

Dental Plan Eligibility

All full-time and part-time certificated, classified, and management employees who work at least 50% or more (4 hours a day) per day are required to enroll. Part-time employees are eligible to receive prorated benefits provided for full-time employees based on percentage of time worked, but not less than 75% level of coverage.

The District provides Pleasanton Unified employees and their eligible dependents the choice of two dental plan options – the DeltaCare USA DHMO Plan and the Delta Dental PPO Plan administered by ACSIG. Both options provide comprehensive dental care coverage including orthodontia for children and adults.

Under the DeltaCare USA DHMO option, you must choose a Primary Care Dentist who will provide, coordinate and authorize all of your dental care. You must use dentists in the DHMO network in order to receive benefits.

Under the Dental PPO plan, you may obtain dental care services from any dentist you wish. However, if you obtain services from a dentist in the Delta Dental PPO network, you will save money on your out-of-pocket expenses, and your benefits will be greater. All participating network dentists agree to provide services at discounted, negotiated fees. If you use non-network dental providers, your charges will be based on the Reasonable and Customary (R&C) rates for your area, as determined by Delta Dental.

For more information or to locate Delta Dental providers, call 866.499.3001 or visit their website at www.deltadentalins.com.

If you transfer or move from one Delta Dental plan to another, you do not receive a new calendar year maximum because you transferred or moved. The maximum amount for benefits paid by Delta Dental in a calendar year under both plans will not exceed the maximum allowed under your current plan.

For example: If Delta Dental paid \$500 in benefits while you were enrolled in a previous plan and the maximum amount of your current plan is \$1,000, the total amount Delta Dental will pay for your benefits under the current plan is \$500.

Vision Benefits

Vision Plan Eligibility

All full-time and part-time certificated and management employees who work at least 50% (or 4 hours a day), and classified employees that work at least two hours per day, are eligible to enroll.

The District provides Pleasanton Unified employees and their eligible dependents a vision plan through VSP. The district contributes up to \$10 towards employee only coverage for CSEA and Management for vision.

VSP allows you to receive vision care services from any provider you wish. When you access vision care from VSP network providers, most eligible services are covered at 100% after a copay. Vision care accessed from out-of-network providers is reimbursed to the patient up to the maximums noted below.

Plan Features	Vision Service Plan (VSP)	
	In-Network	Out-of-Network
General Information	When you obtain vision services from VSP providers, you will receive higher coverage.	You may receive vision care from any doctor you wish. If you receive care from non-VSP doctors your coinsurance will be higher.

Voluntary Life Insurance and AD&D Rates

Pleasanton Unified offers all eligible management employees Basic Life and Accidental Death & Dismemberment (AD&D) Insurance. You must enroll for these coverages when you become eligible.

In addition, Pleasanton Unified offers all eligible employees working 10 or more hours per week the option to purchase Voluntary Life and Voluntary AD&D Insurance coverage.

You will need to designate a beneficiary for your Life, AD&D and, if applicable, Voluntary Life and Voluntary AD&D Insurance plans when you enroll. You can change your beneficiaries at any time.

Basic Life Insurance (Management only)

If your death occurs while you are covered under this plan, your beneficiary will receive a benefit amount equal to \$50,000.

AD&D Insurance (Management only)

If your death is the result of an accident, your beneficiary will receive a benefit amount equal to your Basic Life. If you are seriously injured as the result of an accident (e.g., lose one or both of your limbs, paralysis), this plan will pay a partial benefit to you.

Voluntary Life Insurance (All employees working 10 or more hours)

You also have the option to purchase Voluntary Life Insurance and Voluntary AD&D Insurance through UNUM. You may purchase a benefit amount equal to the following:

- Employee Coverage:
Up to 5x salary or \$500,000
(which ever is less)
- Spousal Coverage:
Up to \$500,000
- Child Coverage:
\$10,000 per child up to age 26*

*if your child reaches age 26, please contact the benefits specialist to have your plan and premiums adjusted

The cost for this coverage will be deducted from your paycheck.

The cost of Voluntary Life is dependent on your age and the coverage amount you select. The rates are on the following page.

Note: Please contact voluntarybenefits@pleasantonusd.net for Enrollment form and Evidence of Insurability form. Please return both to the Benefits Department: voluntarybenefits@pleasantonusd.net

Naming Your Beneficiary

You may name anyone you wish as your beneficiary. This is the individual who will receive your Life and AD&D benefits(s) in case of your death.

Once you have selected your beneficiary(ies), your designation will remain unchanged until you submit a new beneficiary form. You may change your beneficiary(ies) as often as you wish.

Long-Term Care Insurance

All Management employees are offered Voluntary Long-Term Care coverage through UNUM Life Insurance Company of America (a subsidiary of UNUM). Long-Term Care coverage is not only available to employees, but it is also available to spouses, parents and grandparents.

UNUM's Voluntary Long-Term Care Insurance gives financial help in case you need care in a long term care facility, at home or another similar place.

The Long-Term Care Plan covers:

- \$1,000 Monthly maximum for care in a facility (up to 2 years)
- \$500 Monthly maximum for in-home care (up to 4 years)
- \$24,000 Lifetime maximum
- The cost of the plan is deducted from your paycheck

Voluntary Benefits

The District offers employees voluntary benefits underwritten by American Fidelity Assurance Company. You may supplement the coverage provided by the District with Life Insurance, Accident Insurance, Annuities, Cancer Insurance, Hospital Indemnity and/or Long-Term Care. Because you pay for these coverages, you own any policies you purchase, and you can take them with you when you retire or if you should leave the District. For more information, contact American Fidelity Assurance Company at 866.504.0010, extension 0.

Commuter Benefit Program

The commuter benefit program will help you save money on your commuting costs and offer the convenience of automated electronic fulfillment. My Commuter Check provides vouchers, debit cards and electronic loading of select Smart Cards for a number of transit authorities through an easy online enrollment and benefit management program.

Retirement Savings Plans

Pleasanton Unified School District offers employees voluntary retirement plans which include a 403(b) Tax Sheltered Annuity Plan and a 457(b) Deferred Compensation Plan. You can make pre-tax salary deferral contributions. One of the benefits of participating in these plans is the ability to defer from current taxation salary that would otherwise be currently taxable and also defer income taxes on the earnings credited to your account.

The amounts you contribute to the 403(b) Plan have an independent limit from the amounts that you contribute to the 457(b) Plan. You may make pre-tax salary deferral contributions to the 403(b) Plan, the 457(b) Plan only, or you may make pre-tax contributions to both plans simultaneously.

Please note that if you also make contributions, or have contributions made for you, to a 401(a) or 401(k) plan, you are limited to \$48,000 for all plans including 403(b), 401(a) and 401(k). To learn more about participating in the 403(b) Plan or the 457(b) Plan, please visit our retirement plans administrator Envoy Plan Services, Inc. at:

www.envoyplanservices.com
or call 800.248.8858.

Tax Savings Benefits

The District offers employees two flexible spending accounts (FSAs) through American Fidelity Assurance Company – Health Care and Dependent Care – that allow you to use pre-tax dollars to pay for certain health and dependent care expenses. You can participate in one or both of the accounts. Each year, you decide how much to contribute on a pre-tax basis up to the amount allowed by the IRS. The annual amount you elect is deducted from your paycheck in equal amounts each pay period. As you incur eligible expenses during the year, you can request reimbursement with your untaxed money from the appropriate account.

To learn how much you can save by enrolling in one or both of the FSAs, call [800.325.0654](tel:800.325.0654) or visit www.afadvantage.com. The website provides you with expense calculators, worksheets and answers to frequently asked questions.

Health Care Spending Account

The Health Care Spending Account allows you to pay for certain health care expenses that are not covered or only partially covered by your health care plans (medical, dental, prescription drug and vision). Examples of eligible expenses include, but are not limited to, copays for office visits and prescription drugs, coinsurance, deductibles, and fees for acupuncture, chiropractic care, laser eye surgery and orthodontia.

Eligible expenses can be incurred by you, or any of your eligible dependents. **The 2024 FSA will begin January 1 and end December 31.**

The Health Care FSA allows a grace period for health care claims, so you have 15.5 months to incur expenses that can be reimbursed. For example: The dollars you set aside for the 2024 plan year can be used to reimburse for eligible expenses incurred between January 1, 2024 (or your 2024 benefits effective date) and March 15, 2025. You will have until March 31, 2025 to submit claims. This only applies to the Health Care FSA, not the Dependent Care FSA. You can contribute up to \$3,250 per year.

Dependent Care Spending Account

The Dependent Care Spending Account is designed for people who need dependent care so that they can work. You are eligible to participate if you are single or married. However, if you are married, your spouse must either work, go to school full-time or be unable to care for your eligible dependents due to a disability in order for you to use the Dependent Care Spending Account.

Dependent care can be for your children, spouse or parents. Dependents must live with you and be claimed as a dependent on your federal income tax return. The most you can contribute per year to the Dependent Care Spending Account is \$5,000 per IRS household.

Important

Estimate your expenses and make your contribution elections wisely. The balances in your FSA accounts are “use it or lose it” – what you don’t use each year will be forfeited. You cannot change your election during the plan year unless you have a qualified change in status.

Employee Benefit Rates

The District’s Benefits Department has prepared rate sheets reflecting payroll deductions for active full-time and part-time employees.

Active employees pay 100% for all benefit elections. Contributions by active employees for medical and dental coverage, and for flexible spending accounts, are deducted from paychecks on a pre-tax basis before federal income taxes, Social Security, and unemployment taxes are withheld. Similar income tax treatment applies in California when permitted by California law.

Health Care Reform

On March 23, 2010, President Obama signed the Patient Protection and Affordable Health Care Act (PPACA), commonly referred to as “health care reform.” Changes resulting from health care reform impact the administration of the District’s health plans and the Open Enrollment Process.

Following is important information on how these changes may impact you and your dependents. Details for some provisions are yet to be defined; however we are closely monitoring these changes and will strive to keep you informed of any important developments which may affect you and our health plans.

No Higher Out-of-Network Cost-Share for Emergency Room Services

Emergency Room services are covered at the same level regardless of whether the services are obtained in-network or out-of-network and may not be subject to the plan’s prior authorization requirements.

Dependent Eligibility

The definition of an eligible dependent child is expanded to include children up to age 26, regardless of student status, residency, marital status or financial dependence. “Children” includes natural children, legally adopted children and stepchildren. Spouses of married children, grandchildren and children eligible for medical coverage through their employer are not eligible as a dependent. This provision applies only to the District’s medical plans.

No Annual or Lifetime Dollar Limits on “Essential” Benefits

Health plans may no longer apply annual or lifetime limits on the dollar value of “essential” benefits. The definition of essential benefits may vary by state, so carriers are waiting for further guidance. In the meantime, medical plans may apply limits to the number of services that may be obtained in a year.

The term essential benefits is yet to be defined by the Secretary of Health and Human Services, but will at least include ambulatory patient services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services, chronic disease management, and pediatric services, including oral and vision care.

No Cost Sharing for Coverage of Preventive Health Services

Copays and coinsurance are not required for in-network preventive care services; out-of-network preventive care services will continue to be subject to the deductible and coinsurance. Examples of preventive care services include routine physical exams and vaccinations, routine well child exams and immunizations, routine mammograms and routine OB/GYN exams.

The definition of preventive services covered under this provision continues to be updated by the government. For the most current list of covered preventive services, you may refer to www.healthcare.gov/center/regulations/prevention/taskforce.html.

Women’s preventive care benefits have been expanded to include coverage without cost-sharing for FDA-approved contraceptive methods, breast feeding support, supplies and counseling, sterilization procedures and patient education and counseling for women with reproductive capacity.

Appeals Process

The medical plan contracts will be amended to conform to the government’s required procedures when dealing with employee appeals, including a provision for external review requirements.

Rescission

Rescission (termination of coverage retroactive to the inception date) is allowable when the covered individual commits fraud or an intentional misrepresentation of material fact, as prohibited by the terms of the plan.

W-2 Reporting

Employers are required to include the value of applicable employer-sponsored coverage on each employee’s W-2. This reporting is for informational purposes only and will have no impact on your taxable income. Employees’ premiums will still be made on a pre-tax basis.

Exchanges

State and federal exchanges are open for business effective January 1, 2014. For more information visit www.coveredca.com.

Annual Notices

Women's Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Protheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Please review the plan option you elected to determine the actual deductible and coinsurance provisions. Contact the Human Resources Department for more information.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are **not** currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial [877.KIDS.NOW](tel:877.KIDS.NOW) or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call [866.444.EBSA \(3272\)](tel:866.444.EBSA).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your state for more information on eligibility.

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

HIPAA Special Enrollment Rights

Pleasanton Unified School District Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the District's Health Plan (to actually participate, you must complete an enrollment form and may be required to pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan – your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance

Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact the Human Resources Department.

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.
