Why Life Insurance?

No matter where you are in life, there are many reasons to consider Life Insurance. Group Life Insurance protects you and your family from the unexpected loss of life and income during working years. AD&D Insurance provides additional financial protection if the insured's death or dismemberment is due to a covered accident, whether it occurs at work or elsewhere. Life and AD&D Insurance benefits are disbursed to you and/or your beneficiaries to help pay for things like:

- ✓ Your mortgage or rent
- ✓ Childcare or education costs
- ✓ Medical bills or other expenses
- ✓ Funeral and burial costs

How much Life Insurance do I need?

To estimate the amount of Life Insurance you need, you'll want to determine what you must protect in the event of your death. Determine your needs today.

Naming a Beneficiary:

Naming a beneficiary is an important right of Life Insurance ownership; this determines who receives the death benefit. It is recommended that you review and update your beneficiaries periodically. Events such as marriage, birth/adoption of children, divorce or death may change how you want your Life Insurance benefit paid.

Continuation:

If you are no longer eligible for coverage as an active employee, you may be eligible to continue your coverage after employment. No health questions are needed and rates are generally higher than active rates. If you would like to continue your coverage, be sure to enroll within 31 days of your current coverage ending.
