

Allen Cty
Schools
Health Plan
is joining
the EyeMed
Insight
network

Effective January 1, 2016, Allen Cty Schools Health Plan is offering the EyeMed Vision Care Insight Plan. Check with your current provider to see if they participate in the EyeMed Insight network or visit the provider locator on eyemed.com to find a participating provider near you.

You will have a vision benefit that will cover an exam and materials. These are just a few highlights:

Choice in eye care and eyewear

- Access to thousands of independent providers, as well as leading optical retailers such as LensCrafters®, Pearle Vision®, Sears Optical®, Target Optical® and JCPenney Optical®.

Great savings

- Additional savings of up to 40% off complete pairs of eyewear and 15% off conventional contact lenses at participating in-network provider locations once the initial benefit has been used.¹

Service excellence

- Live customer service available seven days a week, including evenings.
- Automated services and our EyeMed Members App that allows members to locate providers, view benefit information and much more.

Simplicity

- Locate a provider near you, schedule an appointment and present your member ID card at the provider location. Your EyeMed provider will take care of the rest!

For additional information, contact the EyeMed Customer Care Center at 866-800-5457.

The biggest network and the most choice. Because more is more.

¹Only available at participating in-network providers
