

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-892-2803 or at

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your deductible?	No.	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$1,500 Individual / \$3,000 Family Prescription drug expense limit: \$5,100 Individual / \$10,200 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.bcbsil.com or call 1-800-892-2803 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
