What is the Wellness Benefit?

The Wellness Benefit is included with your Accident, Critical Illness and Hospital Indemnity Insurance coverage. It provides an annual benefit payment if you complete a covered health screening test on or after your coverage effective date, whether or not there is any out-of-pocket cost to you. You only need to complete one health screening test, and may only receive a benefit payment once per calendar year, even if you complete multiple tests. You may also receive a benefit payment for your spouse and/or children if they are covered for the Wellness Benefit and complete a health screening test on or after your coverage effective date.
