

Medical Mutual's AccountLink Mobile App

Your healthcare finances at your fingertips

Access your Medical Mutual health savings account (HSA), flexible spending account (FSA) or health reimbursement arrangement (HRA) on the go.*

AccountLink lets you manage your Medical Mutual HSA, FSA or HRA; view your account balances and profile information; submit a claim; and much more from your mobile device.

Features

- Access accounts – Check balances, view transaction history and more.
- Manage claims – Submit new claims, upload receipts and check claims status.
- Track and pay expenses – Track medical claims and other expenses, plus pay bills electronically.
- Access your Medical Mutual debit card – Manage card details, access your PIN and request a replacement card if your Medical Mutual debit card is lost or stolen.
- Receive alerts – View important account messages.

Download the App

Download AccountLink app today for free from the Apple App Store® or Google Play™ by searching for AccountLink.

Registration Information

Check out the [AccountLink Registration Guide](#) to learn more about the app and how to register. You will need your Medical Mutual Employer ID and Employee ID to register the app.

Your Employer ID and your Employee ID can be found by logging in to My Health Plan at MedMutual.com/Member.

A message promoting the AccountLink app will show your specific Employer ID and your Employee ID. Please use this information to create your mobile app account.

***Please note:** HSA, FSA and HRA plans are available based on your specific Medical Mutual plan. AccountLink provides access to only the plan(s) you or your employer selected during your enrollment period.
