

# Renewing your eye prescription just got THIS much easier.

As a fully insured Solstice Vision member, you have access to ExpressExam!

## What is ExpressExam?

ExpressExam is an easy, fast, online eye exam that allows you to renew your eyewear prescription at **no additional cost!**

## How does it work?

# 01

### Take the exam

Access the exam via your mobile device or computer – it only takes 10 minutes!

# 02

### Have a doctor review

A licensed Ophthalmologist in your area will review your exam and provide results.

# 03

### Get your prescription

Once approved, you'll receive your renewed prescription within a matter of hours!

## Ready to try it out?

Scan this QR code on a mobile device or visit [ExpressExam.com/UHC](https://ExpressExam.com/UHC) on a desktop computer to get started today!

## Spectera: A Network You Can Trust

We are proud to be partnered with the **No. 1 largest** vision network in the country, Spectera. Visit any of the **130,000** vision providers in the network for your vision services.

Some restrictions may apply. Please verify this provider is participating in your plan. States excluded in this offer include DE, GA, HI, ID, KS, LA, MI, NJ, NM, PR, SC, SD, DC, and WV. Please visit [1800contacts.com/privacy-notice-of-privacy-practices](https://1800contacts.com/privacy-notice-of-privacy-practices) to learn more about our privacy practices.
