I. Delta Dental Certificate

Delta Dental of Arizona, referred to herein as Delta Dental, issues this Certificate to you, the Subscriber. The Certificate and the Summary of Benefits is a description of your dental benefits coverage. It reflects and is subject to a contract between Delta Dental and the Group.

The Benefits provided under this Dental Plan may change if any state or federal laws change, or if there are changes to the Group contract. This Certificate takes the place of any prior certificate issued to you for this Dental Plan.

Delta Dental agrees to provide Benefits as described in this Certificate and the Summary of Benefits.

Note that regardless of dental or medical necessity, not all treatments and services recommended or performed by your dentist are covered benefits. Even if your dentist has prescribed, recommended or provided the service, it does not necessarily make the service eligible for benefits even if the service is not expressly excluded in this Certificate or the Summary of Benefits.

II. Definitions

It is not a prerequisite or condition for approval of future dental benefits payment. You will receive the same Benefits under this Dental Plan whether or not a Pre-Treatment Estimate is requested. The benefits estimate provided on a Pre-Treatment Estimate notice is

III. Enrolling in This Dental Plan

The Open Enrollment Period, if applicable, will be established by the Group and will occur on an annual basis. During the Open Enrollment Period, all eligible persons as defined by your Group may enroll in this Dental Plan. You and/or your Dependents may not enroll in this Dental Plan at any other time during the applicable Benefit Year except in the following instances:

- a. Newly hired or rehired employees (if applicable): You will be eligible to enroll on the date for which employment compensation begins or, if applicable, that date plus the number of days specified as a waiting period by your Group. Rehired employees rehired less than 12 months following the date of termination may rejoin without an eligibility waiting period. If you are reinstated during the same benefit year in which the termination date occurred, any deductibles and maximums you met before termination will apply. Benefit waiting periods or portions thereof that you satisfied will be credited to you. An employee rehired 12 months or later from date

of termination must meet same requirements as a newly hired employee. The date of rehire will become the date of hire.

- b. New Spouse: Your new Spouse will be eligible to enroll on the date of marriage.
- c. Newborn: Your newborn child will be eligible to enroll on the date of birth.
- d. Legal adoptions or guardianships: Your newly adopted Child(ren) and/or the Child(ren) that you and/or your Spouse have legal guardianship over will be eligible to enroll on the date that the legal petition/court order for adoption or guardianship, becomes final, or the date on which Child(ren) placed for adoption/foster care begins residing with you and you meet all of the legal requirements for the placement of the Child(ren) under applicable state and/or federal law including completion of the application and approval procedures for adoption.
- e. New Stepchild: Your new stepchild will be eligible to enroll on the date that the Child's natural parent becomes a Dependent.
- f. Coverage for a Dependent Child shall terminate on attainment of the limiting age specified in the Summary of Benefits unless such Child is and continues to be both (i) incapable of self-sustaining employment by reason of intellectual disability or physical disability and (ii) is chiefly dependent on you for support and maintenance. You must furnish proof of the child's incapacity and dependency within 31 days of the Child's attainment of the limiting age and subsequently as required by Delta Dental but not more frequently than once per year after the 2-year period following the Child's attainment of the limiting age.
- g. To the extent Group permits Dependents other than those defined in this Certificate to enroll in this Dental Plan, such Dependents will be eligible to enroll as set forth by your Group.
- h. All others will be permitted to enroll on the date that Delta Dental approves in writing the enrollment or listing of the Enrollee, unless compelled by a court or administrative order to otherwise provide Benefits for a Dependent.

IV. Selecting a Dentist

You may choose any Dentist. However, your out-of-pocket costs are likely to be less if you go to a Delta Dental Participating Dentist.

If you do not have a Dentist or wish to verify that a Dentist is a Participating Dentist, contact your Group to obtain a Participating Dentist directory or you can view Delta Dental's online Dentist directory at www.deltadentalaz.com/find or call 800.352.6132.

Note that the contract between Delta Dental and your Dentist may have changed. To maximize the value of your dental benefits, when making your appointment, confirm that your dentist is a Participating Dentist with Delta Dental.

Delta Dental's Participating Dentists (In-Network)

Delta Dental's Participating Dentists have agreed to accept a discounted fee for Covered Services, plus your out-of-pocket financial responsibility (Deductibles, Coinsurance). Participating Dentists agree not to charge Delta Dental patients more than the Maximum Approved Fee for a Covered Service. In all cases, Delta Dental will make the final determination regarding the Maximum Approved Fee for a Covered Service.

Participating Dentists will file Claims for you and Delta Dental will pay Participating Dentists directly.

V. Accessing Your Benefits

To utilize your dental benefits, follow these steps:

1. Please read this Certificate and the Summary of Benefits carefully so you are familiar with your Benefits, payment methods, and terms of this Dental Plan.
2. Confirm your Dentist's participation in this Dental Plan's network.
3. Make an appointment with your Dentist and tell them that you have dental benefits with Delta Dental of Arizona. If your Dentist is not familiar with this Dental Plan or has any questions, have them contact Delta Dental.
4. After you receive your dental treatment, you or the dental office staff will file a Claim form, completing the information portion with:
 - a. The Subscriber's full name and address
 - b. The Subscriber's Member ID number
 - c. The name and date of birth of the Enrollee receiving dental care
 - d. The Group's name and number

Member Portal

To get the most out of your Dental Plan, go to www.deltadentalaz.com/member and set up your online account where you can learn about your Benefits and access key functions such as printing your ID card, viewing your Benefits, checking claim status, and downloading Explanations of Benefits.

Claim Forms

You can download the latest version of Delta Dental's claim form from the Member Portal. Additionally, most dental offices have Claim forms available. Participating Dentists will fill out and submit your dental Claims for you.

Mail Claims and completed information requests to:

Delta Dental of Arizona
Attn: Group Plan Claims
P.O. Box 9092
Farmington Hills, MI 48333-9092

At the Enrollee's expense, it is necessary to submit completed claims, with the Enrollee's signed authorization for Delta Dental to obtain information, and any other items we may reasonably require in support of the claim. This information may be obtained from any provider or insurance company. Delta Dental reserves the right to reject or suspend a claim based on lack of dental information or records.

You may request a claim form from Delta Dental. If we do not provide the requested forms within 15 days after the request is made, the claim may be submitted in a letter which provides written proof of the claim covering the occurrence, the character, and the extent of the loss. The requirements for proof of loss will be considered satisfied if Delta Dental timely receives the Delta Dental claim forms or a written statement as outlined above.

Before approving a claim, Delta Dental will be entitled to receive, as the law allows, any information from any examining dentist who is providing dental services to that Enrollee and any records of treatment provided to an Enrollee, as may be required to administer the claim. Delta Dental may investigate an Enrollee's claims at any time. At Delta Dental's expense, we may have a dental professional of our choice examine the Enrollee and/or review X-rays and other dental services information. Delta Dental may deny or suspend payment of dental Benefits if the Enrollee or the Dentist providing care fails to cooperate with a review or examination by the dental professional that Delta Dental selects.

Pre-Treatment Estimate

A Pre-Treatment Estimate is not required to receive payment, but it allows Claims to be processed more efficiently and allows you to know what services may be covered before your Dentist provides them. You and your Dentist should review your Pre-Treatment Estimate Notice before treatment. Once treatment is complete, the dental office will submit a Claim to Delta Dental for payment.

Availability of dental benefits at the time your treatment is completed depends on several factors. These factors include, but are not limited to, your continued eligibility for benefits, your available annual and/or lifetime Benefit Maximum Payments, any coordination of benefits, the status of your Dentist, this Dental Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. A request for a Pre-Treatment Estimate is not a Claim or a preauthorization, precertification or other reservation of future Benefits.

It is recommended that you ask your dentist to complete a Pre-Treatment Estimate and submit the form to:

Delta Dental of Arizona
Attn: Group Plan Claims
P.O. Box 9092
Farmington Hills, MI 48333-9092

Pre-Treatment Estimates are only valid for the procedure and for the dentist who submitted the Pre-Treatment Estimate request and may not be transferred to any other dentist. All fee information is confidential.

Benefits will not be paid for dental services provided after your coverage ends, including services for which Pre-Treatment Estimates have been issued. See **Loss of Eligibility During Treatment** in this Certificate for more information.

Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all Claims under this Dental Plan are post-service Claims. All Claims for Benefits should be filed with Delta Dental within 90 days and in no event, must be filed within 1 year of the date the services were completed. Once a Claim is filed, Delta Dental will adjudicate a complete claim within 30 days of receiving it. If there is not enough information to adjudicate your Claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the Claim, and (d) inform you or your Dentist that the information must be received within 45 days or your Claim will be Denied if the services were performed by a Nonparticipating Dentist, or not chargeable to the Enrollee if the services were performed by a Participating Dentist. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to adjudicate your Claim. If you or your Dentist does not supply the requested information, Delta Dental will Deny your Claim. In such case, you will be responsible for all charges if the services were performed by a Nonparticipating Dentist or an Out-of-Country Dentist. If the services were performed by a Participating Dentist, the services will not be chargeable to the Enrollee.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any Claim you file or any review of a Denied Claim you wish to pursue (see the Claims Appeal Procedure section). You should contact your Group, call Delta Dental's Customer Service department, toll-free, at 800.352.6132 or write Delta Dental at P.O. Box 43000, Phoenix, AZ 85080-3000 to request a form to designate the person you wish to appoint as your representative. Delta Dental will only recognize the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

Questions and Assistance

Questions regarding your coverage should be directed to your Group or call Delta Dental's Customer Service department, toll-free, at 800.352.6132. You may also write to Delta Dental's Customer Service department at P.O. Box 43000, Phoenix, AZ 85080-3000. When writing to Delta Dental, please include your name, the Group's name and number, the Enrollee's Member ID number, and your daytime telephone number.

VI. How Payment is Made

Delta Dental shall make payments for Covered Services in accordance with the type of plan selected by the Group. The type of plan selected, along with the Deductibles, Coinsurance, Benefit Maximum Payments, and other important Dental Plan information, will be identified in your Summary of Benefits.

Generally, you will have to satisfy some Deductibles and pay some Coinsurance toward the amounts you incur for Covered Services. The Dental Plan will not reimburse you for any expenses that are not Covered Services.

How the Deductible Works

1. Enrollees must pay toward Covered Services to satisfy the Deductible each Benefit Year before Delta Dental begins paying for services.
2. When covered dental expenses equal or exceed the Deductible amount incurred and submitted to Delta Dental, the Deductible will be satisfied.
3. Charges incurred for dental services that are not benefitted during a Benefit Waiting Period will not be applied toward the Deductible.
4. If this Dental Plan has a family Deductible, any amount applied to each Enrollee's Deductible will count toward a family Deductible maximum. Once the family Deductible maximum is met, no further Deductible(s) is required. No Enrollee may contribute more than that Enrollee's individual Deductible amount toward the family Deductible maximum.

Coinsurance (Co-Pay %)

Coinsurance is how you and the Dental Plan will split the cost of certain Covered Services after the Deductible is met. Once you have met the Deductible, Delta Dental pays a percentage of the expenses, and you are responsible for paying the rest. The applicable percentage paid by Delta Dental is shown in your Summary of Benefits.

Benefit Maximum Payment

The maximum dollar amount Delta Dental will pay for each Enrollee in any Benefit Year or lifetime for Covered Services.

The Benefit Maximum Payment will apply even if coverage is interrupted or if the Enrollee has been covered both as a Subscriber and a Dependent. You cannot transfer all or any portion of your Benefit Maximum Payment from person to person or year to year. All Covered Services that do not have a Specific Benefit Maximum Payment, as described below, will apply to the annual Benefit Maximum Payment for the Benefit Year regardless of coinsurance level.

Specific Benefit Maximum Payment

Some benefits may have a specific benefit maximum payment. When a service or procedure has a specific benefit maximum payment, the specific benefit maximum payment will determine the maximum benefits paid for those services/procedures without regard to the annual Benefit Maximum Payment, and no benefits will be paid over that specific benefit maximum payment amount, whether or not the Enrollee has exhausted their annual Benefit Maximum Payment for the Benefit Year. The types of benefits which may have a specific benefit maximum payment include periodontics, orthodontics and temporomandibular joint (TMJ) procedures. Please refer to your Summary of Benefits for any procedures that have a specific benefit maximum payment.

Types of Plans

Refer to your Summary of Benefits to identify the type of Dental Plan you have. Benefits will be paid in accordance with the plan type.

Delta Dental PPO Plus Premier™

If your Dentist is a Participating Dentist, Delta Dental will base payment on the Maximum Approved Fee for Covered Services.

Delta Dental will send payment directly to Participating Dentists and you will be responsible for any applicable Coinsurance and/or Deductibles. Unless prohibited by state law, you will be responsible for the Maximum Approved Fee for most commonly performed non-covered services. For other non-covered services, you will be responsible for the Dentist's Submitted Amount.

If your Dentist is a Nonparticipating Dentist, Delta Dental will base payment on the Nonparticipating Dentist Fee for Covered Services.

Except as otherwise provided in the Summary of Benefits, you may assign your benefits payable to your Nonparticipating Dentist and Delta Dental will send the payment directly to the Nonparticipating Dentist on your behalf. Otherwise, Delta Dental will send payment to you and you will be responsible for making full payment to the Nonparticipating Dentist. You will be responsible for any difference between Delta Dental's payment and the Dentist's Submitted Amount.

If your Dentist is an Out-of-Country Dentist, Delta Dental will base payment on the Out-of-Country Dentist Fee for Covered Services.

For Covered Services rendered by an Out-of-Country Dentist, Delta Dental will send payment to you unless otherwise required by law or contract, and you will be responsible for making full payment to the Dentist. You will be responsible for any difference between Delta Dental's payment and the Dentist's Submitted Amount.

Delta Dental PPO - Maximum Allowable Charge

Regardless of your Dentist's participating status, Delta Dental will base its payment on the lesser of the Submitted Amount or the PPO Dentist Schedule.

Delta Dental will send payment directly to Participating Dentists and you will be responsible for any applicable Coinsurance and/or Deductibles. If your Dentist is not a PPO Dentist, but is a Delta Dental Premier Dentist, you will also be responsible for any difference between the PPO Dentist Fee Schedule and the Delta Dental Premier Dentist Fee Schedule for Covered Services, in addition to Coinsurance and/or Deductibles. Unless prohibited by state law, you will be responsible for the Maximum Approved Fee for most commonly performed non-covered services. For other non-covered services, you will be responsible for the Dentist's Submitted Amount.

Except as otherwise provided in the Summary of Benefits, you may assign your benefits payable to your Nonparticipating Dentist and Delta Dental will send the payment directly to the Nonparticipating Dentist on your behalf. Otherwise, Delta Dental will send payment to you and you will be responsible for making full payment to the Nonparticipating Dentist. You will be responsible for any

difference between Delta Dental's payment and the Dentist's Submitted Amount.

For Covered Services rendered by an Out-of-Country Dentist, Delta Dental will send payment to you unless otherwise required by law or contract, and you will be responsible for making full payment to the Dentist. You will be responsible for any difference between Delta Dental's payment and the Dentist's Submitted Amount.

Orthodontics

If this Dental Plan includes orthodontics, it will be identified on and paid as reflected in your Summary of Benefits.

Covered Services Requiring Multiple Visits

In the event a Covered Service requires more than one visit with your Dentist, payment for the Covered Service will be rendered upon Completion Date.

If a statement or benefit in the Summary of Benefits conflicts with a statement in this Certificate, the statement in the Summary of Benefits applies to this Dental Plan and you should ignore the conflicting statement in this Certificate.

IX. Coordination of Benefits

Coordination of Benefits (“COB”) applies to this Dental Plan when an Enrollee has dental benefits under more than one plan. The objective of COB is to make sure the combined payments of the plans are no more than your actual dental bills. COB rules establish whether this Dental Plan’s Benefits are determined before or after another plan’s benefits.

You must submit your bills to the primary plan first. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies your Claim or does not pay the full bill, you may then submit the remainder of the bill to the secondary plan.

Which Plan is Primary?

To decide which plan is primary, Delta Dental will consider both the COB provisions of the other plan and the relationship of the Enrollee to this Dental Plan’s Subscriber as well as other factors. The primary plan is determined by the first of the following rules that applies:

1. Non-coordinating Plan

If you have another plan that does not coordinate benefits, it will always be primary.

2. Subscriber v. Dependent Coverage

The plan that covers the Enrollee as a Subscriber will be primary over a plan that covers the Enrollee as a Dependent. However, please note that if the Enrollee is a Medicare beneficiary, federal law may reverse this order.

3. Children (Parents Divorced or Separated)

If a court decree makes one parent responsible for health care expenses, that parent’s plan is primary.

If a court decree states that the parents have joint custody without stating that one of the parents is responsible for the Child’s health care expenses, Delta Dental follows the birthday rule (see rule 4 below).

If neither of these rules applies, the order will be determined as follows:

- a. First, the plan of the parent with custody of the Child will be primary;
- b. Then, the plan of the spouse of the parent with custody of the Child will be primary;
- c. Next, the plan of the parent without custody of the Child will be primary; and
- d. Last, the plan of the spouse of the parent without custody of the Child will be primary.

4. Children and the Birthday Rule

The plan of the parent whose birthday is earliest in the calendar year is always primary for Children. For

example, if your birthday is in January and your spouse’s birthday is in March, your plan will be primary for all of your Children. If both parents have the same birthday, the plan that has covered the parent for the longer period will be primary.

5. Laid Off or Retired Employees

The plan that covers the Enrollee as an employee (or as that employee’s dependent) will be primary over the plan that covers the Enrollee as a laid off or retired employee or as a dependent of a laid off or retired employee.

6. Pre-paid and Capitation Dental Plans

If you are a member of a pre-paid dental plan or other capitation plan and are also an Enrollee under this Group’s Dental Plan then this Group’s Dental Plan is primary, without regard to the existence of such other plan. Delta Dental will not be obligated to pay, however, for any dental services that are covered without charge under the prepaid or other capitation plan or to pay in excess of the amount of the co-payment obligation for the particular service under the prepaid or other capitation plan.

7. Other Plans

If none of the rules above determines the order of benefits, or if there are two “primary” plans due to retirement, then the plan that has covered the Enrollee for the longer period will be primary.

In the event that these rules do not determine how Delta Dental should coordinate benefits with another plan, Delta Dental will follow its internal policies and procedures for determining which plan is primary, unless prohibited by applicable law.

How Delta Dental Pays as Primary Plan

When Delta Dental is the primary plan, it will pay for Covered Services as if you had no other coverage.

How Delta Dental Pays as Secondary Plan

Unless your Group has selected carve out coordination of benefits or non-duplication of benefits as stated in your Summary of Benefits, when Delta Dental is the secondary plan, it will pay for Covered Services based on the amount left after the primary plan has paid. It will not pay more than that amount, and it will not pay more than it would have paid as the primary plan.

When Benefits are reduced as described above, each Benefit is reduced in proportion. Benefits are then charged against any applicable benefit limit of this Dental Plan.

Right to Receive and Release Needed Information

Delta Dental needs certain facts to apply these COB rules, and it has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person regarding the Claim being coordinated. Delta Dental need not tell or get the consent of any person to do this. Each person claiming Benefits under this Dental Plan must give Delta Dental any facts it needs to pay the Claim.

Facility of Payment

A payment made under another plan in determining a COB provision may include an amount that should have been paid under this Dental Plan. If it does, Delta Dental may pay that amount to the organization that made the payment.

That amount will then be treated as though it were a Benefit paid under this Dental Plan, and Delta Dental will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means reasonable cash value of the benefits provided in the form of services.

Right of Recovery

To the extent permitted by applicable law, if the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, Delta Dental may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the Enrollee.

Payment includes the reasonable cash value of any benefits provided in the form of services.

X. Claims Appeal Procedures

If you receive notice of an Adverse Benefit Determination, you, or your Authorized Representative, should seek a review as soon as possible. Please see your Delta Dental Health Care Insurer Appeals Process Information Packet that you received on enrollment. If you need an additional copy of the Packet, please visit www.deltadentalaz.com/appeals or call 800.352.6132.

To request a formal review of your Claim, send your request for review in writing to:

Delta Dental of Arizona
Attn: Appeals and Grievances
P.O. Box 9219
Farmington Hills, MI 48333-9219

Please include your name and address, the Subscriber's Member ID, the reason why you believe your Claim was wrongly denied, and any other information you believe supports your Claim. You also have the right to review the contract between Delta Dental and the Group and any documents related to it. If you would like a record of your request and proof that Delta Dental received it, mail your request certified mail, return receipt requested.

The person reviewing your Claim will not be the same as, nor subordinate to, the person(s) who initially decided your Claim. The reviewer will grant no deference to the prior decision about your Claim. The reviewer will assess the information, including any additional information that you have provided, as if the reviewer were deciding the Claim for the first time. The reviewer's decision will take into account all comments, documents, records and other information relating to your Claim even if the information was not available when your Claim was initially decided.

If the decision is based, in whole or in part, on a dental or medical judgment (including determinations with respect to whether a particular treatment, drug, or other item is

experimental, investigational, or not medically necessary or appropriate), the reviewer will consult a dental health care professional with appropriate training and experience, if necessary. The dental health care professional will not be the same individual or that person's subordinate consulted during the initial determination.

The reviewer will make a determination within 60 days of receipt of your request. If your Claim is denied on review (in whole or in part), you will be notified in writing. The notice of an Adverse Benefit Determination during the Claims Appeal Procedure will meet the requirements described below.

Manner and Content of Notice

Your notice of an Adverse Benefit Determination will inform you of the specific reasons(s) for the denial, the pertinent plan provisions(s) on which the denial is based, the applicable review procedures for dental Claims, including time limits and that, upon request, you are entitled to access all documents, records and other information relevant to your Claim free of charge. This notice will also contain a description of any additional materials necessary to complete your Claim, an explanation of why such materials are necessary, and a statement that you have a right to bring a civil action in court if you receive an Adverse Benefit Determination after your Claim has been completely reviewed according to this Formal Claims Appeal Procedure. The notice will also reference any internal rule, guideline, protocol, or similar document or criteria relied on in making the Adverse Benefit Determination, and will include a statement that a copy of such rule, guideline or protocol may be obtained upon request at no charge. If the Adverse Benefit Determination is based on a matter of medical judgment or medical necessity, the notice will also contain an explanation of the scientific or clinical judgment on which the determination was based, or a statement that a copy of the basis for the scientific or clinical judgment can be obtained upon request at no charge.

The Adverse Benefit Determination notice will inform you of your right to an external review with the Arizona Department of Insurance and Financial Institutions (“DIFI”).

Pursuant to Arizona law, you or your authorized representative have the right to request an external review of an Adverse Benefit Determination. You are only eligible for the external review process if you have completed the internal formal claims appeal procedure, or if Delta Dental fails to complete the internal process within the allowable timeframe. The request for external review under Arizona law must be submitted within 4 months of your receipt of the final Adverse Benefit Determination. Please refer to your Delta Dental Health Care Insurer Appeals Process Information Packet for information on how to request an external review of an Adverse Benefit Determination pursuant to your rights under Arizona law.

XI. Termination of Coverage

Your Delta Dental coverage may automatically terminate:

- ◆ When the Group advises Delta Dental to terminate your coverage.
- ◆ On the first day of the month for which the Group has failed to pay Delta Dental.
- ◆ For fraud or misrepresentation in the submission of any Claim.
- ◆ For your Dependent, when they no longer qualify as a Dependent.
- ◆ For any other reason stated in the contract between Delta Dental and the Group.

Delta Dental will not continue eligibility for any person covered under this Dental Plan beyond the termination date requested by the Group. A person whose eligibility is terminated may not continue group coverage under this Certificate, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 or comparable, non-preempted state law ("COBRA").

Benefits will not be paid for dental services provided after your coverage ends. See ***Loss of Eligibility During Treatment*** in this Certificate.

XII. Continuation of Coverage

If the Group is required to comply with (i) COBRA and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") or (ii) Arizona mini-COBRA, and your dental coverage would otherwise end, you and your Dependents may have the right to continue that coverage at your expense.

When is Dental Plan Continuation Coverage Available?

Continuation coverage is generally available if Subscriber's coverage or a covered Dependent's coverage would end because:

1. Subscriber's employment, if applicable, ends for any reason other than Subscriber's gross misconduct.
2. Reduction in the number of hours of work/employment of Subscriber.
3. Divorce or legal separation of Spouse from Subscriber.
4. Subscriber dies.
5. Loss of Dependent Child Status under the Dental Plan's rules.
6. Subscriber becomes enrolled in Medicare (if applicable).
7. Subscriber is called to active duty in the armed forces of the United States.

If you believe you are entitled to continuation coverage under either federal or Arizona law, you should contact the Group to receive the appropriate documentation required under Arizona law or the Employee Retirement Income Security Act of 1974 ("ERISA"). To the extent you are eligible for Arizona mini-COBRA and this Section XII conflicts with the requirements of Arizona mini-COBRA, Arizona law will govern your rights to continuation coverage.

Conversion Coverage for Arizona Resident Enrollees

1. Arizona-resident Enrollees may qualify to enroll in conversion coverage upon the Subscriber's loss of employment or a change in benefits eligible status, after COBRA or Arizona mini-COBRA coverage ends as long as this Dental Plan with Delta Dental is still in force. If you are not eligible for COBRA or Arizona mini-COBRA coverage, conversion coverage will apply to Arizona-resident Enrollees upon termination of employment or loss of coverage due to a change in benefits eligible status.
2. An Arizona resident covered Dependent may qualify to enroll in conversion coverage upon the Subscriber's death, divorce, or termination of employment. Conversion coverage will also apply to covered Dependents upon loss of coverage due to reaching the limiting age. The conversion coverage may, at the option of the spouse exercising the right, include covered Dependent children for whom the spouse has responsibility for care or support.
3. Delta Dental requires an approved enrollment form and the first premium payment within 31 days for the conversion contract to become effective. The effective date of the conversion contract will be the day following termination of active group coverage or if applicable, the day after continuation coverage under federal or Arizona mini-COBRA ceases provided this Contract remains in force. There will be no evidence of insurability requirement.
4. This conversion coverage is not available to a person covered by other dental benefits, which together with this conversion coverage would constitute duplicate insurance. This coverage also does not apply if Group terminates this Contract.

XIII. General Conditions

Assignment

Services and Benefits under this Dental Plan are for the personal benefit of Enrollees and cannot be transferred or assigned, other than to pay Participating Dentists directly or to assign benefit payments to Nonparticipating Dentists. See ***How Payment is Made*** in this Certificate.

Subrogation and Right of Reimbursement

Unless prohibited by applicable state law, if this Dental Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right you and/or your Dependent has to recover from another party or entity, including but not limited to, that party's insurer, or any other insurer that you or your Dependent may have, which would have been the primary payer if not for the payments made by Delta Dental. This includes but is not limited to, automobile, home, and other liability insurers, as well as any other group health plans.

To the extent that Delta Dental has a subrogation right, you and/or your Dependent must:

1. Provide Delta Dental with any information necessary to identify any other person, entity or plan that may be obligated to provide payments or benefits for the Covered Services that were paid for by Delta Dental,
2. Cooperate fully in Delta Dental's exercise of its right to subrogation and reimbursement,
3. Not do anything to prejudice those rights (such as settling a claim against another party without notifying Delta Dental, or not including Delta Dental as a co-payee of any settlement amount),
4. Sign any document that Delta Dental determines is relevant to protect Delta Dental's subrogation and reimbursement rights, and
5. Provide relevant information when requested.

The term "information" includes any documents, insurance policies, and police or other investigative reports, as well as any other facts that may reasonably be requested to help Delta Dental enforce its rights. Failure by you or your Dependent to cooperate with Delta Dental may result, at the discretion of Delta Dental, in a reduction of future benefit payments available to you or your Dependent under this Dental Plan of an amount up to the aggregate amount paid by Delta Dental that was subject to Delta Dental's equitable lien, but for which Delta Dental was not reimbursed.

Obtaining and Releasing Information

While you and/or your Dependent(s) are enrolled in this Dental Plan, you and/or your Dependent(s) agree to provide Delta Dental with any information it needs to process Claims and administer Benefits for you and/or your Dependent(s). This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

Enrollees are free to choose any Dentist. Each Dentist is solely responsible for the treatment and/or dental advice provided to the Enrollee, and Delta Dental does not have any liability resulting therefrom.

Loss of Eligibility During Treatment

If an Enrollee loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under this Dental Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 30 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility.

For Orthodontics, an Enrollee must be eligible and enrolled at the time of each benefit payment.

Late Claims Submission

Delta Dental will make no payment for services or supplies if a Claim for such has not been received by Delta Dental within 1 year following the date the services or supplies were completed. In the event that a Participating Dentist submits a Claim more than 1 year from the date of service, Delta Dental will deny that portion of the Claim that Delta

Dental would have paid if the Claim had been timely submitted, and such portion of the Claim will not be chargeable to the Enrollee. In the event that a Nonparticipating Dentist or Out of Country Dentist submits a Claim more than 1 year from the date of service, Delta Dental will Deny the Claim and you may be responsible for the full amount.

Change of Certificate or Contract

No changes to this Certificate, your Summary of Benefits, or the underlying Group contract are valid unless Delta Dental approves them in writing.

Complaints About Dental Services

This Dental Plan recognizes the right of each Enrollee to select a dentist of his or her own choosing. Neither your Group nor Delta Dental assumes any responsibility for the selection of dentists or for the quality of services received.

Enrollees who have questions concerning the services received, should direct those questions to:

Delta Dental of Arizona
Attn: Customer Service Department
P.O. Box 43000
Phoenix, AZ 85080-3000

Actions

You cannot bring an action on a legal claim arising out of or related to this Certificate unless you have provided at least 60 days' written notice to Delta Dental, unless prohibited by applicable state law. In addition, you cannot bring an action more than 3 years after the legal claim first arose or after expiration of the applicable statute of limitations, whichever is shorter. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Change of Status

You must notify Delta Dental, through your Group, within 31 days of any event that changes your status or the status of a Dependent. Events that can affect an Enrollee's status, include but not limited to, marriage, birth, death, divorce, and military service.

Rescission of Coverage

If there is fraud or a material misrepresentation on an enrollment form for coverage for any person ineligible to be covered by this Dental Plan, the coverage will be rescinded and will be considered as never having been in effect. Any premiums paid for coverage for the ineligible person will be refunded minus any claims paid for that person. Delta Dental is entitled to recover the claim payments that exceed the amount of premium paid. Other Enrollees in the benefit plan who remain eligible will not be affected by the rescinded coverage of the ineligible Enrollee.

Governing Law

This Certificate and the underlying group contract will be governed by and interpreted under the laws of the state of Arizona.

Right of Recovery Due to Fraud

If Delta Dental pays for services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a Claim that contains false or misrepresented information, or pays a Claim that is determined to be fraudulent due to your acts or acts of your Dependents, it may recover that payment from you or your Dependents. Delta Dental may recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to you or your Dependents. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you or your Dependents than is provided by this Certificate, that law shall control over the language of this Certificate.
