Out of Network	Emergencies Only	All services covered with higher financial responsibility and possible balance billing

Differences

1. Medflex is a network only plan with only emergencies covered outside the network.
2. Medflex does NOT include the Cleveland Clinic.
3. The SuperMed Plus PPO plan includes a deductible and coinsurance.
Once met, copayments are the only financial obligation up to the maximum out of pocket.

All covered services are the same under both plans

Reminder: The ACA's required preventive care list must be covered at 100% within the network
