Extra dental care for your gums

Available on Both Plans:
Base Plan & Buy-Up Plan

We share tips to keep your teeth healthy and help you feel your best, along with important benefits.

Diabetic or pregnant and at risk of gum disease? HealthPartners MouthWise Matters covers:

- 100% of in-network services to help control or prevent gum disease – no coinsurance or deductible, even if you've hit your annual max
- Extra dental checkups and cleanings
- Root planing and scaling – a deep cleaning for your teeth

100% dental coverage for kids

ONLY included on Buy-Up Plan

Your kids are less likely to have future dental problems when they see a dentist early.

Just add your kids to your dental plan and set up their first appointment with a network dentist.

Little PartnersSM dental benefit for children 12 and younger:

- 100% coverage at an in-network dentist
- Pay nothing at the dental office
- No limit on dental care (excluding orthodontia)
