

**NOTICE OF
PROTECTION PROVIDED BY
ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** description of the Illinois Life and Health Insurance Guaranty Association (the Association) and the protection it provides for policyholders. This safety net was created under Illinois law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, health maintenance organization or health insurance company becomes financially unable to meet its obligations and is placed into Receivership by the Insurance Department of the state in which the company is domiciled. If this should happen, the Association will typically arrange to continue coverage, pay claims, or otherwise provide protection in accordance with Illinois law, with funding from assessments paid by other insurance companies and health maintenance organizations.

The basic protections provided by the Association per insured in each insolvency are:

- Life Insurance
 - \$300,000 for death benefits
 - \$100,000 for cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans*
 - \$300,000 for disability insurance benefits
 - \$300,000 for long-term care insurance benefits
 - \$100,000 for other types of health insurance benefits
- Annuities
 - \$250,000 for withdrawal and cash values

- * The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except special rules apply with regard to health benefit plan benefits for which the maximum amount of protection is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example coverage does not extent to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitation under Illinois law.

To learn more about these protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ilhiga.org or contact:

If we extend the period to decide the claim, we will notify the claimant of the following: (a) the reasons for the extension; (b) when we expect to decide the claim; (c) an explanation of the standards on which entitlement to benefits is based; (d) the unresolved issues preventing a decision; and (e) any additional information we need to resolve those issues.

The claimant may send us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. If we extend the review period, we will notify the claimant of the following: (a) the reasons for the extension; (b) when we expect to decide the claim on review; and (c) any additional information we need to decide the claim.

If we request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, we may conclude our review of the claim based on the information we have received.

With respect to Waiver Of Premium claims (or other benefits based on disability), the person conducting the review will be someone other than the person who denied the claim and will not be subordinate to that person.
