## Testimonial

I highly recommend SmartShopper.

I had to get a scan and knew it was going to cost a lot.

I used SmartShopper and by picking a facility only 17 miles away,

**I saved \$500 and SmartShopper sent me \$75 cash!**

I could not be happier with this decision - the smaller facility just up the highway was a quick in and out with excellent customer service and billing!

You have a choice where you get your labs, scans, or other medical testing/procedures done, even if your doctor is associated with a specific place.

**I encourage everyone to use SmartShopper to save yourself money and to keep our insurance rates low!"**
