Plan Summary: 2024 Group
Excess Liability Program

FOR INTERNAL USE ONLY

Introduction

The Gallagher Group Personal Excess Liability Plan provides additional personal liability protection for up to \$10 million in coverage for damages and costs arising from bodily injury or personal injury to others, or damage to the property of others for which you or covered family members may be liable.

Plan summary

This coverage is over and above the limits of liability provided by your primary auto, homeowners, renters, recreational vehicle, motorcycle and watercraft insurance policies. The plan is administered by Gallagher and insured by the Chubb Insurance Company. There is no individual underwriting required for limits from **\$2,000,000–10,000,000**.

How Group Personal Excess Liability insurance works

Coverage under this type of policy is always in excess of any other collectible insurance. For example, in the case of a car accident, your primary auto insurance policy would provide the first level of coverage and the AJG Group Personal Excess Liability Insurance Policy would be available once the primary limits are exhausted.

Who is covered

If you elect to enroll, the plan automatically covers you, your spouse/domestic partner, as defined by the Gallagher Domestic Partner Policy and all eligible children. Please Note: Even if underlying policies are not in the Gallagher employee's name, the group personal excess coverage will be excess over policies where the named insured is a spouse or domestic partner since he or she is considered a family member, and the same minimum underlying requirements apply as shown on the following page.

Eligibility

All U.S. benefit eligible, full-time employees can participate.

Limits and premiums

Umbrella Coverage Limit	Annual Premium
\$2 million	\$867
\$5 million	\$1,460
\$10 million	\$2,206

Additionally, this policy includes \$1,000,000 of Excess Uninsured/Underinsured Motorist Protection. This coverage is not offered in most umbrella policies. This coverage applies if the other driver is negligent and is either uninsured or maintains inadequate liability limits. You may elect to increase the coverage to \$2,000,000 for an additional **\$160** premium.
