FIND A DOCTOR OR FACILITY QUICK REFERENCE

Your Quartz provider network varies depending on your health plan.
Follow these steps to find a participating doctor or facility.
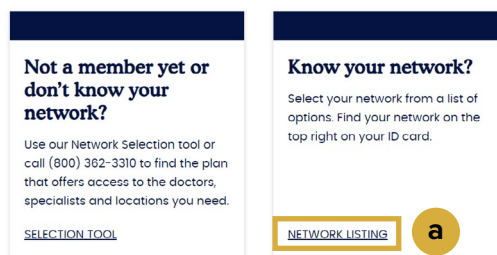

1 **Get Started**

   a. Go to **QuartzBenefits.com** and select **Find a Doctor**.

2 **Select Your Network**

   a. Click **NETWORK LISTING** under **Know your network**? Then, select your network by name. You can find this information on your member ID card. Or, use our network selector tool and answer a few simple questions to guide you to the right network.

Not a member yet or don't know your network?

Use our Network Selection tool or call (800) 362-3310 to find the plan that offers access to the doctors, specialists and locations you need.

SELECTION TOOL

Know your network?

Select your network from a list of options. Find your network on the top right on your ID card.

3 **Search for Providers**

   a. **Check your location** in the upper right corner. It defaults to where you are when you start your search. To look for providers elsewhere, change it to the desired location.

   b. Use the quick links in the center of the page to search for Doctors by name, **Doctors by specialty, Places by name,** or **Places by type.**

   c. The smaller shortcut boxes will vary by network. These will take you to searches commonly requested by Quartz members.

4 Filter Your Results

    a. Adjust the maximum mileage to narrow or expand your search radius.

    b. Change the search type from **Best Match** to **Closest Distance**, **Name (A-Z)**, or **Name (Z-A)**.

    c. Click **More filters** for other ways to sort your results. These filters are dynamic and will change based on the type of search.

    d. Then, scroll to the end of your listing to **Email results** or **Print screen**.

5 Explore the Full Directory

    a. If you want to review all in-network providers, scroll to the **bottom of the screen** and click **Quartz Printed Directories,** then choose your **network name** to **download a PDF of all providers**. You can print or save the file. Note that the full printed directory refreshes every night with the latest information.
